GREETINGS

CHRISTMAS WISHES
Eleanor,
with love,
Jean.

I name my candles
for my friends,
And light them Christmas eve;
Each one a ray of beauty sends,
In each one I believe.
I light my candles in a row;
One of them bears
your name –
See how steady is its glow,
How bright its golden flame!

Cheer
at
Christmas

May joys through all your yule-tide
Like holly berries glow.
And Love's pure gift surround you
Like buds of mistletoe.
