## Mt. Biddle

<https://archives.whyte.org/en/permalink/artifactlia.03.01>

Artist:	Arthur Lismer (1885 – 1969, Canadian)
Title:	Mt. Biddle
Date:	1928
Medium:	graphite on paper
Description:	<p>This drawing is a stylistically loose portrayal of a mountain scene. This scene is comprised only of mountains and rock - no trees or such other landscape. There is a peak in TLC and the mountain slopes downward to another smaller peak in the TRC. The foreground of the piece is comprised of many loose rocks that are piled on top of one another and recede into the background. The line quality of the drawing in the foreground is much heavier and more detailed than the background. Shading in the piece is done mostly with cross-hatching.</p>
