Abstract:	Pertains to the breathtaking photography captured by members of the Canadian Mountain Holiday Heli-skiing and Summer Adventurers in Banff, Alberta. The Canadian Mountain Holiday Company (CMH) worked to create a gallery in their book that would showcase some of the stunning photography they hold in their collection. The photographs are vast, showcasing skiing adventures, snowboarding adventures, hiking trips and the outdoors in its most natural state. Alongside each photograph is a short excerpt written by Hans Gmoser. Although never intended to be a concise story, the captions help to provide context and evoke a greater appreciation for nature and adventure.
