"Ben [Gadd]'s memoir tells the story of how a skinny, myopic and cowardly kid grew into the mountaineer who wrote [Handbook of the Canadian Rockies and Raven's End] and received the Banff Centre's coveted Summit of Excellence award in 2014.

There's a lot more to this memoir than just biography. Interleaved with the personal history are 36 readings from Ben's favorite written work. These essays, magazine articles, stories and book excerpts will have you chuckling in some places, touched in others. All this plus hundreds of color illustrations."
