## Banff Social Studies Report with prints

<https://archives.whyte.org/en/permalink/descriptions55572>

Part Of:	Archives General File Collection
----------	----------------------------------

Description Level: 5 / File  
Fonds Number: M8 / S8 / V8  
Sous-Fonds: M8  
Sub-Series: Accession number: 2021.17  
Accession Number: 2021.17  
Reference Code: M8 / 2021.17  
GMD: Textual record  
Print  
Date Range: [ca. 1965-1969]  
Physical Description: 2 cm of textual records (32 pages ; 21.6 x 27.9 cm or smaller)  
Scope & Content:

A typed text report on Banff 14 pages long - the text has been heavily edited throughout with white-out and additional pieces of paper glued overtop of written text. Accompanying the text are 26 images and 4 maps, two of which are hand-drawn as overlays of the others. The report follows the story of a family named West from Calgary visiting their cousins, the Cunninghams, in Banff sometime in the late 1960s, which is also when it is believed the report was written. It is unclear if the families are real or fictitious. The report describes in some detail the history of the area, features around town, environment, commerce, wildlife, and community and ends with a series of questions, presumably posed to students. The accompanying prints relate to the topics in the report and are numbered to correspond correctly - some prints have typed text notations attached either to the back or the front along an edge. Two prints show the town of Banff from the top of Tunnel Mountain and a Mylar sheet has been laid overtop of each with landmarks, streets, and buildings noted in blue ink. Contents of the images include the afore mentioned aerial views, the Administration Building grounds, shops along Banff Avenue (which clearly show shop-front windows, signs, cars, and peoples' outfits), the original Whyte Museum building, the Banff High School, the Cave & Basin cave and pools, various wildlife, and Banff Indian Days.

Notes: Some prints came from the Canadian Government Travel Bureau, as indicated either in the typed notations or stamped on the back of the print.
