Responsibility: Registers produced by the Alpine Club of Canada
Date Range: 1989-2016
Physical Description: 25 cm of textual records (10 volumes)
History /
Biographical:

The A. O. Wheeler Hut is located at Rogers Pass National Historic Site in Glacier National Park. The hut was built between 1945 and 1946, and it is a Recognized Federal Historic Building. The hut is named after one of the founding members of the Alpine Club of Canada, Arthur Oliver Wheeler. A. O. Wheeler was the first President of the Alpine Club of Canada, and he served as Honorary President of the Club for almost twenty years.

According to the Alpine Club of Canada's website:
"Carrying on the tradition of the Glacier House which was closed in 1925 and now exists only as a few concrete foundation pieces, the Wheeler Hut serves as a base for the legendary powder skiing of the Rogers Pass area. In summer there are numerous opportunities for climbing and hiking.

This is the birthplace of alpinism in North America. Many of the routes are steeped in tradition and history, an interesting fact to remember as you reach for that next impeccable quartzite handhold or take that next footstep along one of the many trails which wind through the lush cedar forests that dominate the region.

This is the one and only ACC hut which can be reached by vehicle in summer. Winter access is a mere 2 km along a well-broken and level trail.

It is difficult to convey to the first time visitor the number and quality of the summer and winter day trips possible from the hut. The potential is outstanding from this single hut including summer hikes to Asulkan Pass or up the Great Glacier Trail to the Illecillewaet Glacier, summer climbs to Sapphire Col, Mt. Sir Donald, and Avalanche Peak; winter ski tours to Young's Peak, the Seven Steps of Paradise, the Dome Glacier – the list goes on and on. Go and explore for yourself, you will not be disappointed!

The Wheeler Hut is quite luxurious! A propane system provides the cooking and lighting, with two wood stoves for heating. The hut sleeps 30 in summer and 24 in winter."

Scope & Content:

Sub-series of hut registers from the A. O. Wheeler Hut produced by the Alpine Club of Canada between 1989 and 2016. Registers include entries from visitors to the huts which pertain to individuals' hiking and climbing trips; details of specific events which occurred while staying at the hut, wildlife sightings, custodial issues and updates, and related topics.

The sub-series is separated into individual hut registers, arranged by date:
