This list is only for referance, I consider them of no market value, Being very old and deteriorated, no one but myself could keep them to-gather. It w^d would be very unfair to sell them.

The past current year I have kept track of what I have given away in presants to people that directly sends me business, Tourist agencies, Museum Officals, Advertising men and news Paper editors. Artists, etc. This amounted to \$155.00. No doubt I forgot some. Stock should be credited for this amount.
