BANFF, Alberta,

FELLOW SHOOTERS:—

It is with many good wishes for the year 1929 that the Banff Gun Club extends to you an invitation to join with them in this Thirteenth Anniversary Winter Shoot Program.

The Banff Winter Carnival will be better than ever this year. The enclosed program and folders speak of what we intend to do.

We are considering a new event at the shoot—"to get them from one of Fred McCall's airships." Suggestions on this from you will be appreciated by the chairman of the Trap Shooting Committee, L .C. Orr.

It might be as well to drop us a line if you are coming, so that we can figure out rooming accommodation and other little comforts.

Try to come if at all possible as we enjoy your company.
