Services will be held in all Churches in Banff on Sunday. In the morning at 11:00 o'clock; evening at 7:30 o'clock.

A VISIT to Banff in the wintertime would not be complete unless one has climbed the gentle slope of Stony Squaw to the Mount Norquay Ski Hut, which nestles in the saddle between the two mountains. Visitors to this delightful spot will be given a hearty welcome by those in charge. Refreshments can be secured at the Hut. Extensive clearings have been made on the slope of Mount Norquay, where the novice can find a slide just suited to his ability or the more expert can climb high up the mountain for a breath-taking run down, and if he so wishes can continue right down to the main highway, which is one of the most exhilarating runs in the vicinity of Banff.

On Sunday afternoon exhibitions of skiing will be given by members of the club on the Slalam Course, which is conceded to be one of the finest and fastest on the continent.
