part of the time - waited

on hill above River for Rusty + Caty who were behind being cursed. Lunch at White Goat (otherwise Cataract or Cline R.) where we camped last year. No Indians " then. Ate lunch, + watched pack train cross Cline R. then crossed ourselves Caroline taking pictures. Then along trail we took last year. Had oranges where we crossed creek in canyon below Silver forest + where we had

wild strawberries. Camped by white goat - All went swimming in wh. goat when little Sstream came in. wearing the moccasins I bought for three dollars from Sussie Beaver but they smell terribly. very hot & dusty all day. Bedtime for dinner was delicious. Did stunts with pole after dinner & Madelaine stood on her head - Bed at 11 sleeping out for first time under pine tree. Slept well, woke early & put head of bed over here &

the next thing I heard was "hot water"!

Thurs. 16 Hot cakes for breakfast (called before 7) Riding Bronnie whom I find I don't like - Rough + stumbles + has a mouth of cast iron - a pack horse's sole + all seems donkey or mule but the first 10 miles of hurtail - Lunched on Coral creek where there was little shade: Lay under the bushes. Hot + dusty - Coral Creek is where we had lunch

last year the day we
came down the white grade
Trail very faint & wriggley
going up a hill, only to
come down - Ride after Jim
going up hill to above timber
line. Spring of warm water
& we rest five minutes
till the pack is in sight
Jim is blazing the trail.
Go down hill & cross
creek to east side to
camp. Early supper

+ we are eating out side
which is very nice when the
Sun isnt too hot- Trail
goes up Coral Creek-
crossing several times
Took a picture looking up
stream with horses on
trail to left- Riding Tex

whom I like very much.
His slow but easy gait
& the most sure footed
Jin ever had out here
If I have a stick in my
hand he goes along
very well. Strike Dr
creek where valley
divides - Stay there
two hours while Jim
& Frank hunt the
trail - Go up valley to
left - Trail vague &
disappears at times
Finally come up to pass
mountains all around
and animal trails
all around on the shale

Coyote to right watches us some time - Go round to right & camp on hill cook tent at bottom & find we are not on the right trail - Other valley of Coral creek apparently comes in here & up to the Pass. Jim searches for trail in evening - Starts to rain after supper - Mary, Lonnie, Rusty, Cathy & I in bell-tent - We call it the tenement - Laugh & talk till 9:30. Then

slept. Beds hard + rocky but I fare very well.

Sat 18. Seven o'clock but no call - get up with others in tent. Jim brings hot water up on horseback Hicks starting off with Frank to find our trail. Lie in tent all morning. Lonie reading - the others are washing etc. Air bed before lunch - Thurston diary + will write home. Jim is not back yet - back in early afternoon with Marguerite. but rain at 2:30
brings Rusty Caty
+ Mang in two.

Sat 25 Sometime packing
a tenement is an
awful mess. Leave
9:30 + ride down
to end of lake through
timber on good trail
Cabins at end of lake
Stay behind to take a
picture with Lonnie
+ Patches + Tex have
a fast gallop to catch
up. To Rest trail to
right to Medicine

Lake. Bear on trail
Those in front see him
Travel fast with lots
of canters. Camp on
flat near Medicine Lake - getting
in at 2:15 - Try to
fish but lake is too
shallow near shore -
Quite tired - Horseshoe
quoits on camp
ground - After supper
seven of us + Jim go to
fish in Jacques Lake
Riding Patches -
Caroline camped there
before + thought it would
take about a half hour.
Instead it took 1½ hrs.
Passed 4 lakes

+ asked each time.
"Is this it?" Saw a
large brook outlet.
Finally reached
lake about 8:45
It was shallow
all around the
edge with timber
so that it was
hard to cast. Fish
were jumping in
the center about
two every half
minute. Tried
wading out into lake
but water was too

cold to cast more
than twice but I
could get my fly
to within 10 feet
of them - Rode
home in pitch
darkness - Couldn't
see the horse in front
of all - Got in at
11:30 pm - grouchy
& fix beds & Tenderfoot
Cocoa, biscuits
& honey - Tired to
death & bed. Sleep
very well -

Sun 26 - Start about 9:45 pm.
on good trail along
lake, then down

Malegne River.
Still wide road
+ go in pairs - wagon
road not auto.
Good gallops -
met a party coming
from Jaspu. Camp
near Malegne
Canyon - Ride down
+ look at Canyon -
Madelaine + I
walk down quite
a distance expecting
others to follow - Take
pictures. Others ride
back to camp
without us. Leaving

on horses. Ave had a "strawberry Crush" a strange drink bought chocolate bars, & rode back to camps. Camps is near the river & tepee tenements & chicken boxes are near together & form a little circle facing one another. Sun is very warm & it looks as if we would have a warm night. Curley Phillips & wife came up to visit - Florence goes into Lodge to spend the night with friends

Mon 27. All ride into Jasper
Stop at Lodge, see bear up tree
swimming pool then. See one
of the rooms. In cabins
with other rooms - Meet
Bert Wilkins, Dick
Dickinson, cook + very
dreary, + Rufus neigh-
bor. near station.
Leave horses in their
corral. Neighbor has
little boy of six who rides
with chaps. Cutest thing
you ever saw. Went to
Bert's home + met Mrs.
Wilkins - also Kid. Go
to Chinks for lunch.

sit in little stalls like flag shop at college - afterwards we shopped camera films etc. Ate magnificent 7½ & rubber bag. Ate ice cream & sundaes - met at Buts home - then go saddle horses & ride back, the 3 men & little boy coming back with us for dinner - Cuse

Tues 28 up early & go to Jaspers truck - sitting on back with Mary & Butch. Meet Twomile & niece Ellen on streets of Jasper - train is two hours late - wait around station bo lotted up with ice cream cones.

Leave 11:20 - Japan runs on Pacific time but we keep our own. Mt. time - arrive about two at Robson platform & lunch at cabin down the hill belonging to Haugraves - My new horse is called Baby Beauty & used to be a race horse but is old ride of 18 miles so they say to Mt Robson but it doesn't seem so. Stop at 8 miles at cabin at Kinney Lake - trail

leads through fronded (?) cedar
forest near Kinney Lake -
Ford near Kinney Lake
& the guide "Don" has a
bucking horse which sends
him off in the water - Rig
hill afterwards & we
walked up - Passed
through valley of a
Thousand Falls & past
Emperor Falls - Cabins
are past Berg Lake &
between it & Adolphus
get in negs seven o'clock
Cabins hold ten in four
rooms - double decker
beds - Room with Busty
Dinner in cabin above
& sit at night in

a buckskin colored
tepee & swing —

Wed 29. Ride to Moose Pass
past Adolphus Lake
& on. Then turning to
right - Busty is riding
a mare with a colt
trotting beside her. Horses
are all slow & obstinate
Ride up Pass - see deer
& photograph it - Lunch
near pass & climb
afterwards up shoulder
to right going slow &
not stopping I got to
ridge first but came
back. Others went

much highs. View of
Robson & Coleman gl.
Barbara comes back too
& we go home led by
Dean a Robson guide
After dinner, we sat in
the tepee & listened to
Roy Haugrave tell of
alpine climbs & early
days in the Robson district.
Thurs 30 I wasn't going to climb
tomorrow but couldn't
resist so when Ellen
Trowbridge said she'd go
if I did - I did! Caroline
Marg. Caty, Ellen & I
with Jim & Charlie
started at 9:30 - awfully

hot - it has been so
for some time. & dusty -
& I thought before lunch
I'd never get there. So
thirsty I fell into some snow
for a drink & soon after
we found a dirty water
hole & that took us to
a stream of melted snow
where we lunched - after
lunch the climb took us
over snow & then up
a chimney where we
dangled on a rope &
had lots of fun. Spent some
time on top. Then started
down. Caty slid on some

snow + landed on top of Caroline - got home at 7 pm "then time" - after dinner tepee was so smoky we sat on flat in front of cabins + played handkerchief game - others had gone on glacier with Dick Haugaard + Mr T. in afternoon went out in boat on Bug Lake + watched the avalanches fall from Tumbling Glacier into the Lake - Several ice bags are always floating there - The view from Mummy would have been more

glorious if the smoke had been cleared away. It is awfully dry & dusty every where.

Fri. 31. Start at 10:30 on time for Robson station - Get off & walked to Empire Falls on way. Rusty fell in well with clumber & heat. Took several pictures - having to pump off Mary horse when at is going as it won't stand & stop to suck to get on. Lunch at Kinney Lake Lose lens to finder on camera somewhere - Supper at

Robson Station Camp where we wash up - arrive in Jasper + go on Buick to camp - Cocoa + Bed -

Sat Aug 1. Rusty + Mary leave at 9 am in tears - Pack them + shuffle into Ford roadster + a sad farewell ensues - we leave soon riding past the Lodge where we get Lunches + sugar for lemonade for lunch + turn off to left, that side of town - Lunch down steep embankment - Rode afterwards on

dusty trail through
Buffalo Prairie, then
through small cotton
woods - if that's what
they are. Camp in
fly place between
stream & lake - all
swim in lake & have
best swim on trip. I
actually get in & swim
over the curse & feel
fine - hey sprins
gotten in Jasper are
great about 9 legs them
in Bee Tent the next
morning. Wash in
the evening & then

go fishing - Catch two fishes but they are as good as the other four - C. H. 1. Jun 3. Stand in mud & fish till I can't see a thing. Throw them back several times thinking they were two small. Sleeping in Tenement, generally alone.

Sun 2. Cross stream near camp through bushes & ride up pass. Lunch about timber line near Shovel Pass. Cabins just past belong to Brewster - Pass is

lovely + camp just
below in timber line
Lovely camp. clear
stream beside us +
good feed for the horses.
Wash all afternoon —
we got in at 2 pm —
as everything was
dirty - Afte dinner
climbed up on shoulder
above camp. Saw
three goats + Malaigne
Lake. Jim split the
pack train + sent
Shorty + Frank
with half the pack

back the way we came to Maligne Lake. Amber is missing, having been last seen in canyon after we pass Jasper. We are worried about him. He might have gone with Frank & Shorty or even with Mary & Rusty to the Tonquin Valley. Claude is leaving tomorrow to ride back to Jasper. He will look for him & go to Maligne Canyon Camp if he isn't in Jasper. Cocoa with marshmallows which is

Most delicious -
Mary + Elbeine got them
in Jasper + Jim packed
them out -

Mon 3 - Most of us want to
climb in the afternoon so
an all day trip is
taboo - Pancakes for
breakfast + I ate four.
A lazy morning doing
dishes + writing diary.
Very anxiety + smoky
+ sun is a red disk
gradually clearing up
with wind. Or maybe
it is blowing up a
storm -

In afternoon we took the horses to the alp lands across the creek. Rode Patches as Tinemilla didn't go. Climbed up ridge to left & walked along ridge & up to two summits. Strongest wind I ever felt. Saw sheep & goats. Got down out of wind by getting little below ridge.
Onetime, we rode along side of mountain on loose fine shale & through meadow of flowers, purple fleabane & arnicas, & anemones. Chamois in evening. Sacpateheva

with bucket, moccasins, hat Robson & others words. Charlie returns with Amber. Very windy. cool night & tenement sways & flaps. I slept in alone but didnt sleep tiel late.

Tues 4 Queenie acted up this morning when Hope tried to wrangle Patches & queenwood who had wandered off. Rode down from Pass - stony & muddy Lunch by little stream on trail - Ride through burnt timber afterwards

+ Greenwood pumped
a lot - Came in at end
of Maligne Lake. Tenderfoots stayed back
to gaccops + Bob in last.
Jim dropped behind
+ Barbara + Caroline
galloped violently
to catch up to him
thinking he was ahead
+ out of sight. Camp
at same place on lake
very nasty - Charlie
reported a fire at
Medicine Lake. Probably
in the heavy timber there.
Cary reports we won't
have cross + there is
some commotion till

it arrives -

wed 5 Rode up river to Pass & down Polegne to old camp where we had the wedding - Tex is awful slow - Jump some logs after lunch but not many - Took picture from below Pass. Polegne side. Dynamite goes out & is dyt behind. Perhaps they'll send back for him - Raining good deal of day - Eden has joined the Tenement - Jim brings in the cocoa to us with

biscuits + honey - The
torment is to shave a
dog to John Brown's Body.
Louie slides off her bed
at night & Coly gets Rud
& wet - Nice pretty good
Thurs 6. Rain + we were called
late. Clears after break-
fast - ate 5 pancakes
which is the record this
year. The outfit is short
of horses now + Jim decides
to walk. Caroline leads
the gang - Lunch at
stream just before going
down hill to cabin.
Get in to old camp
place above Poboktan R

fifty minutes after
P.M. Jim Julis took the Cowen
trail by the river Slept
out as tenement was
on bare ground & dirty.
Started reading "The
Smiths" out loud with
Florence. She reads two
chapters & then read till
dark. Tommie & Caly

Wed 12 Very smoky & Cattle
grand trip is off. We
got up late - Eileen
& Mary are off for the
day - Hope & I wait
for breakfast - Hot cakes
were delicious - Shoot
in morning - Canoes at
4:0'clock - Stream is

goaling out + we can't go in far although we wade up to our knees. Bring ice up + make ice cream for supper. Caly Tony, Hope + 9 clean up a little. Moore also. We got it from the Simpson Party. Play London Bridge + other forfeit games by Lord. Men attempting to find game.

Thurs 13. Still snowy + we hope for rain which did chase away our winds last night but didn't last. Chores in morning + go quite far in. Caroline

+ I went again in aft. to see water start. Waited 15 minutes + then a roar, + a few seconds later, cold air coming from the cave + at 2:35 it came with a rush. Caroline suggests a hunting trip in october with Jim - Return to camp + shoot. I'm ahead but Ellen rapidly catching up - Tug of war. rope stunts afterwards - Plan trip to Sask gl. after supper but rain threatens + it is called off - Read

with Florence. Then in tepee playing games -
Sleeps beautifully -

Fri. 14. Jim makes fire in tepee
Breakfast at 9 or after
Bridge in big tepee
& spend whole morning
there with fire - Rain
all morning but the
smoke is clearing up
Read after lunch with
Florence & finish "The
Smiths" It is interesting
as it is a picture of life
we experience in many
places, but the whole
story lacks focus - walk
up hill to right of C.g.

with Barbara & get view of two glaciers - one between us & Bryce, & other coming into it to right of first. Ellen & Mary out too - Bridge after dinner - all in big tepee - Hope that it will clear & then all aboard for Castlegard.

Sat 15. Still raining & up late again. Hot cakes for breakfast. 9 in tepee talking in am - Still rain - Build fire with difficulty - tepee smokes. Cards & fool around

all day. Bet between Florence + Caroline against Caty + I that it will be clear + parking tomorrow - Louise teaches me Russian Bank. She has won 6 out of 7 games. Crowd climbs up C.G. to left + goes over glacier in afternoon - I stay home as I went yesterday - Bonar and R again.

Sun 16 Pack up + leave 10:35. Louise [illegible] Walk down Castle guard River I drove Tex in front of me, + brought up the rear - Fords galore - Pass

Last gasp camp & eat lunch on big hope Last gasp. Have bannock & jam at Canyon at 3:45 where we stayed 5-5 minutes It tasted mighty good - Then rode past the mud hole & several nearly went in. Jim & Charlie both swam their horses in a hole [illegible] we met the pack. Imale Harry" & Hope nearly go over horses head at place where Billie jumped to land last year!

Pass place where I went in, with many comments. Camp at Gravey and at 7 pm. which is behind Pinto Pass trail comes in. Frank & Shorty got in yesterday & Shorty just got back from the Hood Fork. Jack Burnstis party (six, 4 tents) are camped down there - Tenement ups & we pile in. Big tepee & a little tepee pitched - Late dinner very good and cocoa later in big tepee. Tenement talks and laughs till late. Louise talks in her sleep.

Mon 17 Jim & I late for breakfast. Ted
wanders off & Edlen & Roxie
& I on Big Colt wrangle
him. Big Colt is tall &
Jim's stirrups not short

& the river went silently
& swiftly along to our
right. Saw cow & calf
moose in river. Amber
saw them as they came

ait on one side, chased them back & forth until they finally got out on the far side of the river. Logs on the trail through the woods afford fine pimpering - Thurmond except Tooney conspire to ride front back of pin & succeed quite well. Lunch about 1½ mi. above North Fork camp site. Then came down trail by woods by canyon Jack Brewster & party camped on our old site. They had gone to glacier Lake & only took a

pack us over thru. Ford easy but fun. Camp on bluff above river watch Jack cross & Frank with Dynamite in tow tails find Jim used in June & has to swim. Frank out hunting after dinner - fries 4 slices of deer & causes much excitement. Stay around work fire for cocoa and to hear the news but all is silent when Jim & Frank come in. Borax says he missed & Jim was sore & we go to bed after much

decision

Tues 18. Caroline, Jim & I went to
cacion Brewsters Party
who consists of the
woman we met at Robsons
named Ecaubert from
Brooklyn, another woman,
Mrs. Billings, Brooklyn
Mrs. Howard Vernon, whom
C.H. Rieux, a Alpine Clubber
& a man who proposed to
walk & had already started
Mr. & Mrs. Jack Brewster
2 packers & a cook - They
have a horse that looks just
like Whitey - I didn't know
there were two - Caroline &
Jim go out in the river to

swim the horses but have a hard time to find deep enough water for greenwood but they do swim a couple or two. I have nothing to climb as Mr Nelson as across the Muskeg Wilson across the Sask R. & Sarbach pretty far. "Field Day" with Tug o war etc in a.m. Tournament vs others - Trombly, Burt & Frank on our side. Played sardines after supper & forfeits. Barbara hides on river bank & I found her first & almost fell in.

Wed 19. Rode up Nuetaya River through woods, finishing at small pond above river. Innclusion range in to left all morning. Pass good horse feed and leave. Dynamite thru to recon. - Cut down through timber to left at wild fowl or Waterfowl Lake + camp near second lake. Deep ford over Nuetaya River. Photo back coming through a shallower ford further down. Caroline rides Jim's horse down stream + swims him.

Ellen, Caroline & I swim & return to camp, crossing several small streams on logs. Sleep in cheese box for first time as no other tent is up. Bridge and large fire in front of tent. Walk to Lake w. Tom

Thurs 20. Layover at water fowl. Lake - Caroline, Ellen, Madeline, Mr. T. & I climb Clark & I climb peak with 2 turrets to left. No water till we reach spring at end of timber & shale climb. Lunch there & rock climb begins - very rotten rock

+ loose boulders + climb one
turret + decide to leave the
top for some one else - One
exciting dismount when
we dangled on the rope
coming down - Come home
with Charlie + Mr. T. - Trail
going down shale but
someone was playing
jack straws with the burnt
timber - Scare up a blue
grouse - Wash + some swim
in lake which is very cold -
Dinner + bridge - High wind
+ dust storm flaps all
night - Lots + smoky -
sleep very little
Fri 21 Greenwood + Red Robin

missing but we got off
at 10 - 10:30 - Ride
through woods occasionally
coming out on river
& marsh flats - woods of
spruce with mustache
moss on them - Rain
at lunch & after - Some
sit on table in woods
which suddenly col-
lapsed to ground - Big
chuts & many laughs.
Get to camp a little
after two - Raining.
Nap in little tepee -
Dinner with soup
Nice camp - good

Rec Camps - Good

ground surrounded by spruce trees - open beyond with good forest floor. Small stream but good water - Big Tepee going up & Tenements park there. other side who lost Field Day are getting up a party & everything is quite mysterious. We think we will dress up as men & Bud & Frank & Twombly as girls to go to the show - I will be a girl too to even things up. Cocoa in Big Tepee & to bed in the beginning of a snow-storm

Sat 22. There is a foot of snow &

The tepee door is snowed up. Jim makes a fire for us. Charlie has said the snow he wants in the winter he says. The words are lively. It snowed all day up to 16 inches. The play is off - ~~Hank went and the way to water from Lake after the horses which she must~~ It's a good day to stay in. A large fire in front of the check boxes Surrounded by a big snow bank.

Sun 2-3 It is clearing & the sun almost out. Got the Some wood to Pete Lake which is not far across the open meadow in front of us & up hill to the right. Caroline Madelaine & Bruce & I walk over in the afternoon to Patterson & Kane Lagoon & Bayliss Glacier. The lake lies at the foot of the Knoll & we walked out on a log which was quite safely

above the lake. Tried
to find up the river
that night but didn't
get any thing - whether
it was the heat of us
the rest or fatherly on
Sunday night I don't
know. Took flash
lights at fire. Frank
went all the way to
Waterfowl Lake after
the horses but almost
got them. Red
Robin & 22 are
missing.

June 24 The boys are missing
& we lunch in camp

& leave at 2 o'clock.
the boats went all
the way to Crowfoot
glacier & a fine
for Simpson brought
them back. 22 & Robin
still missing. There
are only two eggs left
so I guess 22 thought
he could be excused
The men drew lots
& it fell to Charlie to
hunt them. He caught
up & the pack horses
& came in with them
to Mosquito Creek camp
The trail led down to the Bow
Lake where Simpson
has a camp. Log cabin

Jimmy, Harry
Knights dog Les
joined us. He was with
Simpson - The lake is
lovely + I should like
to camp there some time
Trail right on edge
of lake. It is freezing
in the snow + the
scenery is lovely with the
new, white snow. Two mule
rides in front contesting
for 1st place + we
beat them a hairy time
Down the Bow with
Temple Jnr + got
Pepe us. as far as

Mosquito Creek Christian + are camp below. Went fishing with Jim's line & hook & a bit of feather for a fly. Caught a grayling. First I ever kept, first when the Arctic comes into the Yukon. Return to warm up as I am cold + wet + find Max Burks has brought us mail - letters from family + others. Fish in evening but after a late supper it is too dark. There is a canyon 10 miles up the

creek when Jim says he would sooner get big fines but ~~it~~ it is too cold to sleep in tonight & will fix in front which is delightful

Tues 23 - Ride up Mosquito Creek to Indian Pass It is a draw to left & north east. Cold & snowy - Break on pass but interesting snow & place for Rabbits Strange canyon on other side & lovely pictures but my Kodak is empty, Camp on Indian Creek above willows on creek Marguerite & I go

fishing & she caught
2 eulachon & 6 rainbow
long. The dog, Jimmy
(or is he his brother
Johnny?) ate them
by mistake. Jim
