long time at table. Bird very amusing
story-teller - MacIntoshes waiting
outside but we didnt know it - Then
sat in lobby. My car in parking place
behind hotel - almost blocked in by
other cars.

Sat July 9. Beautiful day - are we lucky
Took letter to Polly to +
Club house with keys to car which
I am lending her while I am at Arctic
Two bear cubs then up tree with Mother
Bear in garbage can. Then to town on
errands. Back to check out when
Mac drove Linfords + myself all fine
with baggage to Healy Creek gate. I
took one duffle + small rucksack
wh. held everything that I needed
plus 2 fish rods + ice ax - [Linfords have
amazing amount of stuff - in large laundry
case + suit cases - Erling called one
"that with the gold bricks". Made them
repack at ~~half two~~ corral + leave
some there to be brought in next week]
No one at Healy gate. Stones corral

deserted except for govt car parked in bush & Ruby-Cr. hanging there. Linton insisted we should drive out Healy Ck Rd to find Storm & corral! Mac drove through gate & up road some 2 miles - It was unlocked because men are working on TransCanada up there where it crosses the Bow R. Left Linton & all baggage up there & Macs & I drove back. Found Erling & Rudy wiegel there with jeep & trailer Erling about to go back to find us. Had been delayed because no one at Brewsters had told Frany Gabl that he was coming with us to climb with Mac. Storm left word he was to be driven out to 10 mile cabin to join us - All piled into jeep with Mac in trailer with bags behind & after picking up Lintons sitting in woods. Arrived Cabin & corral where the horses were Long wait around for saddling etc & I ate lunch brought from BSH Then Storm sent us in to make tea

and sandwiches in Cabin - Takes long time to boil water on a stove! Thed Franz, two twin girls who run elevators in the BSH. + girl in white dress [p. Banff - my Scott? - has visited w. Mrs Hays + diner of old Sunshine Bus all arrived - Franz very nice looking young, strong, with 2 big packs + movie camera. Finally mounted + off after Mag got me excited about the dirt hole in it across creek wh. looked as if Bird was looking out - Nothing doing. I have un carried looking horse named Coon - mac or big white beast. Off next to Erling, a place wh should have been Albert Lintony I guess - up Brewster Creek through its burnt timber - off once for drink - One big bull moose on creek below just after - Large bull elk (3 or 4) on slide before Halfway - Left 10 mile about 4:15 PM. arrived about 7:30 Rudy walking - that he had missed us + started back. Franz on ahead

I in top bunk of layer of three but bed very comfortable. Dinner of sausages, beans, peas, jam + bread - Drank no tea + slept not at all - Clouding over but no rain today + looks as if it had cleared for good.
Sun. July 10. got up when Lee smelt the bacon for some time. Good breakfast - Birded across creek with albert - Clouds coming in - off 11:30 AM (?) Rudy Weigel + Frany leaving first against Strouds advice. + Rudy with to lunch. Over Pass in mist + rain but not too bad - met Al Johnson Jack his keeper + a Maine fishing guide with Ken Jones, a ranger + his dog all coming up to Pass. Reported 2 grizzlies below - Mother + 3 yr old - Erling sent his horse back with them + walked. Ken to build cabin for Eliz R. + also something for Erling - Lintons climbed w. Ken years ago - Call him Fish Hooks. others went on with Ranger - I listened to talk + came on with Erling +

Andy Anderson, Erlings keeper - Saw
grizzlies across valley - Fine view
through glasses after dismounting.
Lunch in timber shortly after.
Then on - Caught up to Driegel near
Og Pass - gave him lunch. Again
he thot he was wrong & started back.
Erling now riding & Andy walking
but cut up over Rosin Pass. Mag
cramped & walking - ~~horse being led~~ leading.
Had fall in mud when she & Mike & I
were behind: Thot horse would step
on her but he didnt. Arrived camp
at 6 PM approx - In Erlings room
but will have to move later to Cabin I.
Lintons have cabin 2, Mass No 3. Slips
Co.: Mr & Mrs. Landon Thomas of ~~Mont~~
Morristown, daughter Nina Sophat
B.M. & 16 yr old Darcy. & Mr & Mrs.
Glover Snow whom I met at O'Hara
last year & got excellent Marmot
pictures with - up on opabin meadows.
Find later that Mrs-Snow & a friend
were the tourists who chased

away the goats on Burgess Pass in 1941! Their first trip & 2 of them had thought they would climb up from field - never thought of goats. They have remembered & told the story too all these years - Staff is Siri Stiem & Janice from Toledo also a college girl.

Mon. July 11. Beautiful day. Two mags want to rest - albert Linton & I to Eliz Rommels (she went to Wonder Pass) to Cerulean where we saw lots of big fish & could count 50 - Then to Elizabeth Lake & made tea for Lunch. Then to Chuck's Ridge where Erling had horse back party of Thomas family. E.S. said he was "manufacturing" I found a goat opp. wh. he hadn't seen. watched him for long time.

Tues. July 12. Another beautiful day. went with albert to Wonder Pass. Jog Lake half frozen. crossed stream high up on snow. albert wanted to cross by wading lower down but I

demurred. Lots of snow. Erling had Thomas family & Wiegel on horses at view point down on trail to Marvel - No goats but Eliz. R. saw 31 - Lunch all together at view point. Tame golden-mantled squirrel ate sand from Mr. Thomas' hand - Pictures. Boat on Marvel & sev. fishermen. McBride & Alvin guiding each has fishing camp there. Erling took 2 girls up cliffs - Wiegel & Erlings horse went home together. Albert & I had tea at first spruce trees for fire - Margaret Leiton came up to Bucks us but we didn't see her. Thunderstorm in evening. July 13. Fished down at inlet of Marvel. Caught fish fish & 2 others. Albert got 5 & found at least one back. Lost favorite "salmon-egg" fish fly I got at Standish - Cooked fish & made tea 0 pp. Dipper's nest above bridge - Sun very hot & not much shade - All seemed to like it. Borrowed fry-pan etc from Siri. Erling left w. Thomases & Snowes.

at Johnson in with 6 new people.
Ah. +9 up at 7 am to bird but woods very quiet
Thurs. July 14. Albert taking movies of Dippers in stream. Nothing seems to be doing so started for Eliz R's. She asked me to come back for dinner lunched with Mrs + Mrs. Poland at Cerulean with fine but only for me. They were interested in the process. + helped with fire. Dr + Mrs. Smythe (Emily Vaughan ~~exists~~ who pitched in + cooked for Erling yrs. years ago) fishing in Cerulean Lake + have some fine ones. Dr. Smythe looks like John Lee with white mustache + mok gray hair. Begged 2 fish from him to take Eliz. R. He took 20 min to land them 3 1/2 lbers. Walked to end of Cerulean - saw little of interest - very hot. Arrived Eliz Cabin at 4 but her 3 as Erling goes on fast time. Eliz has Beth La Dittel(?) keeping her - an English physical therapist from Victoria introduced by Dr. Mitchell - Took rest in tent but electric storm chased me back to

main cabin. Dinner of fish etc which she cooked with dried parsley over it - one white + one pink flesh. Eliz + I talked about every one the Brew. Out after dinner to listen to birds - She did not know hermit thrushes singing everywhere - also fox sparrow - all others silent - Came back by our old high up campsite - muggy puddle thru + stony lookout point down reg. trail. Brought me by her private trail to meadows - fine cow elk there. Three went up her way + 2 followed me back to Stonis - were at post door soon after. Often come into corral for salt. Got in at 10:55 + only staff still up.

Friday July 15. Another beautiful day. Albert + Margie L. + I start for end of lake. After taking ourel pictures Albert got excellent movies of them, also stills with telephoto - Saw Brewers sparrows through scope + later with my glasses. Three does came out of wood to drink at stream from campground

Thundestorm over Mt. Assiniboine. Margie who went up Sub yesterday w. albert feet tired & both went home. Was afraid A would get his tripod & scope wet. I on alone. gathered dry wood & hid it under big rock where ACC climbers ~~boated~~ rode out one slight storm under big spruce - warm - hibited pipits in meadow. finches there only. Fire with tea, bouillon, & toasting sandd - Temp. right. slight breeze. No mosquitoes. flowers (mostly wind flowers & yellow buttercups) Crossed stream way up on snow & travelled moraines & snow banks. wore shorts all day until I had to bushwhack thru spruces when I changed to slacks - met Dr. Smythe looking for fish - they weren't biting just then. Also met Harry en route from ACC cabin where he lives, to fish. Home about 4 - Mag & I en route to tea - find no fire or gals there. Mag squeezed my orange & I had delish orangade weary. ~~Rain~~ Had not rained to speak of. Mac was resting after try at Mt. Allenby.

yesterday. He & Fanny took horses with Al Johnson over Assiniboine Pass. Al & Siri met them on return. Were drenched with storm - rain beating down & Sun-burst Lake with waves & white caps on Wagg. Mt has bits of shale - up one down six sounded like Eon to me. Had very weary Fish for supper - little ones good. Evening go fast with dinner at 7 PM. Al on radio to Banff at 8 - much static but often amusing. Girls in bed late, up early. Service has slumped since Erling left. Al builds fire noisily at 6 AM & is out when I get up & no water.

Sat July 16 - Rain - first rainy day [illegible] - Tired - Wrote diary after seeing Mac, Fanny & Beth La Fette off to Wonder Peak. Rudy Weigel to go too with them or independently? Albert fishing Cerulean - Paleds to Church's Ridge; Werner (?) girls to end of Lake; Smythes fishing - Wrote Sig & John O. who sent me account of Fred Ayres 10 climbs before June 29

some kind of record for the C.Rs.
Al to leave for Banff today - The two

Bridge in eve. Mary Mac & I vs Lintons
Stadge to say we won - Played poorly.
Sun July 17. Albert L & I climbed
Sunburst Point. went to ACC camp
ground then diagonally up - pretty
good route - ledges, buttresses etc.
up in 3 hrs 45 min - down 2 hrs 15 min
1½ hours on top. Came straight down
but hit boulders & some brushwood.
Storm gathering but got home first.
Albert & I hand about same pace. I
led mostly up & he down. Lay in bed
& listened to rain - ~~Ate~~ ate 2 cups of
tea & piece of delish chocolate cake. Elena
in with Mary Mason who was at Ottawa

last year who embraced me as a
a long time friend + Billy Hitchcock
who is half staff half guest - here
to recuperate from concussion from

them on Temple - Terrible tragedy +.
Drinkers grandson in group but lived
In Banff Hospital a few days -
Mon. July 18. Climbed Mt W. Albert
L + Emily + Charley Smythe - very
windy - Chased eek out + off
hillside to right - Hated wind +
ducked under rocks whenever poss.
Ate in clefts of rocks one above
the other out of wind. Emily took
flower pictures + it was a lengthy
process - Started down first on west
side of ridge, waited under rock, passed
one ptarmigan pretty high up. Others
reported further down by cairn

with stick - Didn't find them. Went on to get out of wind & then came back. Flower gardens everywhere - wind flowers large & small, yellow buttercups, globe flowers & Chalice cup. Tired & afraid of wind. Erling told stories after dinner - how he kept pigs in Arizona from 1921-5, crashed the Pres. of Mexico's Ball with two others. Took Ruth Woodford (?) around west to gather stories for radio; about men who fought with knives in dark room. All gathered to listen with Siri, Jan. & Andy on far sofa. Then a rubber of bridge with Maggie Mac & the Sintons - Mag won.

Tues. July 19. Climbed Cauttery with Albert. Erling took Siri, Torbjel Andy up Towers. Billy took Werner sisters up on Mt. Bo Smythes joined Mac, Mary Mason & Tranny up Sunburst Pt. to Indy movies - A & I went to O'Brien Meadows to see Al Gates plant Still by stream - Instruments removed

debris scattered about; then up meadows to neat, stony corral + nice cozy camp ground - Then up point to lunch by snow bank. Albert veering to right when I would have gone up to cairn on left. One elk near us + 3 more on meadow below. Rosy finches - Thot A had gotten upside of summit but no! he wanted to go on. So we each took our own route. mine bit ridge in center low spot + lovely flower garden of yellow purple + white flowers - then up ridge often just below summit out of wind Top cairn at 2:45. Albert at 3:20 - He came up longer route diagonally to high point. Rosy finches then - pictures - Down in 1 hr + 1/4 Rest. bathe, diary - Ready for dinner Bridge in eve -

with some 30 or 40 + gave them
envelope of or dollar bills as
Johnny Bearpaw brought them up.
Pictures. Down town to do errands
met Andy Anderson. brought him
up to see Strom but not finding
Jeep, took him back. Wish I
had taken him to lunch at
Harmons. Did think of it but I had
planned to eat at B.S.H. Salmon
platter in Fairholme as Ashamb

is full (geo. Gable ill in hospital I heard last night)
Hair-do at B.S.H. much thinning - cut short - spraying not, but looks well. To Vallances at 6 PM for sherry & at 6:45 PM to new Timberline Lodge for good dinner of minute steak etc. Drive to Hillsdale almost, then to Vallances - much talk - home. - Diary.

Sat July 23. Went to club house right after breakfast. Besides Mac Intoshes Eileen Des Briay has arrived & Bea De Lacy. Bea had signed up for AAC Camp also. Has car & Miss Thompson a friend with her. All to town to see Indians on bridge - Eileen & I to Museum too. To club for lunch - very tired - came to hotel & slept. Two wires have come. AAC camp cancelled & Katie Gardiner can't come - It simplifies plans. Also Henry Kuiyman is coming after Helen's wedding Aug 13.

I will visit Eileen as planned & Muriel has asked me too So plan to go to Vancouver Aug 31st - will stay at O'Hara longer probably. Slept & rested rather all day. Then to town for medicine at Lamd-o-mat & shoes at mub & to Eileen's at 5:40 - asked for 6 & lay on sofa till Mac Intoshes arrived about 6:30 - Drinks of gin & juice - Roast for dinner - Fanny Gabl arrived after we sat down - Had been at L.L. driving - afterwards to see Walter Perrin & Pam, who had been asked to come late. Baby 1 yr old Aug 13 & she is to have another it seems. Then to hunt 16 mm projector at sev. places. Lastly at Pete & Kath. went in, saw thousands of pictures of nts. Think he should paint tents & people more - many curios - drums. Took Carol with us. Riley's came in - Pete in dark room but finally appeared - Back to Eileens till 10:30 & left all together, leaving her with the dishes!

Sun July 24 - Overcast - wrote diary - Stayed in room writing letters, etc. I checked swamp for birds etc See "List" Ate sandwiches in room w. bouillon. Packed for camp. Rainy. Went to meet Eileen Des B. from Club & Aileen from town in car. Both coming for dinner - Sat at table for 5 - Hard to talk. To Conrow. afterwards (Geo. fable back but boots badly) Then down town to see if Frank had found projector - Checked & found C S H. at cabin - wants to start early tomorrow - will go at 9:15-30. at Aileen for short time - Then to bed & mostly packed & ordered breakfast for 7:30 A M.

Mon. July 25 - Breakfast came promptly at 7:30. Ready to leave by 8:10. Started to check out & it took me an hour! held up all along line - Taking Sl. Bag & duffle, rucksack & boots with me. Left fish rods in car. checked 2 suitcases & handled duffle to Louise

for Eileen & found everyone at Club there to see us off & talk. Had to cut some of that out. Bea ready to go almost & will wait for each other at Bow Summit. Stopped at Harmon's (had lunches from Club) & for Charlie. Then to Lennie & Summit. Road being repaired over many miles. Flat off. Hector Lake (found later we picked up a drill) C.S.H. changed it quickly. on to Summit. No Bea; waited & checked Ranger's Stn. No camp. site (only picnic ground) waited 45 mins. Then left note at sign at Summit & went on to Sask. Crossing. Found later Bea went to Rangers, parked car behind house by his two trucks. Later checked picnic ground but never went to Summit. After she waited two hours, had tea w. warden & then went on. 1½ hours behind us. We got tire fixed at Crossing, ate lunch. Went on at 2:30. Peter Withers at gate, coffee w. Gladys & Noel Gardiner in trailer parked behind gate & camp ground. Jasper by 5:30 & ate some.

thing in Athabaska Coffee Shop (soup + pie) It rained hard part of day. some showers + some just cloudy. On yellow head Pass Road along side R. R.; used to be two RRs there before consolidation into C.N. Not bad going. Somewhat worried about Bea but what could we do? Had asked various people if oregon car was stuck or way. I decided she had had car trouble before leaving Banff - Charlie that she got cold feet at Construction + returned till some one sh. drive up with her (probably I thot). Eileen that she was ahead. Came to junction of roads one to Yellowhead Lake + one to Hargreaves. Cars galore parked in 2 fields. Mile or more to Hargreaves. Went in + found Roy old + thin standing in centre of room with mobs of people around - Said "Come in + sit down" I thought we sh. get on - as it was getting late - Mrs. H. took Eileen in + they sat down. Joan Shaxon emerged out of group drying dishes - Could get no information

from Roy. Frustrated feeling & so glad to get out. Decided to drive to Base Camp, leave duffle & come back. Another car drove up w. Allan Bruce. Robertson & another boy & girl - went back to junction, took route to Kenney Lake & about 2 miles found tents in woods - Some 12-15 people there nice Frank Gathelme - Found empty Bell tent & Eileen & I packed our duffle there, got out beds & pumped up mattress. Then C.S.H. & I took car back & parked it in field with others - walked back. Some noon but cloudy. Bea came in an hour later - and O.K. was glad she was O.K. Felt relieved as I felt my arrangement a bit stupid & I had let her down. But why did she not go to Summit & why did she put car behind house? My mattress down but slept in spite of it. Discussion about Time - are now on B.C. Daylight which is same as Alberta time. Mrs & 2 girls from Long Island volunteer to cook breakfast - They did & dishes too.

Tues. July 26. Walk into camp.
Left 8:30 A.M. grateful to good breakfast getters - waited for Bea who in end left car at camp site aside of Rex's + Eric's. Last off. Allan not far ahead. Muddy trail but little rain - wore raincoat just over shoulders. C.S.N. had bought peaches + cherries for trip. Warm. Wacker's trail led steeply up around bluffs of Sunrise Lake. Crossed main stream once on three successive bridges - first had 2 logs + hand rail, second from island when wood was scarce two logs + no rail. Bea let me go behind her - + she is steady. Rushing torrent below. Caught up to dew York Couple + red hunter's caps. She tired + not happy. Allan + party not far ahead. All had lunch at white bone Ranger's Cabin - closed. Porch crowded - we ate two times. Passed up steep trail by Lower Falls + past real fall of Emperor Falls later. Over boulders, across mud flats streams to Bear Lake shore. Trail then

up & down horse tail type. Bea very tired & slower & slower. Met Australian boy who was taking Irish horse ariete w. Dorothy Clamach - said he was bored w. climbing He & Eileen chatted. We had taken successive leads & L.G. E. Des D. then Bea - My 3rd lead around boulders & river flats before Lake. Australian Leon Blummer took Bea's rucksack to Hargreaves cabins for her - He was on Coast Range trip last year w. Alan Melville - Met Clara Washer & Myrtle ? at cabins - Clara led E. & I over flats, Myrtle behind w. Bea - Arrived 5 min to 6 & dinner. In Tent 5 with Polly & Marjorie Thomas of Victoria - Perrines in camp. Pack in about 7 - right after Supper - Elmer fixed mattress wh. only needed strong hand to unscrew valve - Slept well.

Wed July 27. Misty & poor but parties went out on Mummy. Lynx, Rock & ice schools. Also gendarme wh will be qualifying climb - over back of Mummy somewhere - Good camp but high camp

packed up for Robson no good.
Bob Kind described route up Robson
at camp-fire last night. Fred Ayres
was up first route ten days ago.
Slept. Morning + afternoon - Cocoa
if you have your own cup at 9:30. after
amusing accounts of the climbs.
Jim Reilly in camp but hasn't rain
coat + only jacket. Watched Helmet come
out of clouds + hoped Robson would. Stars
out in night + CSH predicts clear weather
Thurs. July 28. Rain on tent. Breakfast
of French toast etc - In tea tent w. many
others - bridge, painting, knit, read, pictures
wrote diary.
Fri + Sat July 29 + 30. Rain, mist -
occasionally it looks like clearing
Helmet comes out occas. Top of Robson
no! Some parties go out. Clearing 7:30
-8. Lynx, Lynx 2, Rearguard, Mumm
Ann Alice, Tilanna(?) Gendarme - Home
cheerful but wet. Others go up valley to
A.B. Boundary markers - Canadaba[illegible] C.N.
cabins in woods there - Charley hauls

dozen logs down for camp. fire. Girls are fixing floor of one for (night club) call it Porky Palace. Maybe we will hold annual meeting there. offered us tea as we came back - Frances Perrine + J. with C.S.H. but went on. Anne Fallis + Ethne, Beth Hannen in group. Sandpipers think + we hunt nests + find one little bird. Some swim in Adolphus-! Godfrey makes benches to sit on in tea tent. Polly brought game of blocks called "Block head". Some bridge C.S.H. made fine benches for outside fire Marjorie Thomas sec. Vancouver section in our tent - has buckskin coat. Left Friday - quite a few have gone out. Rock School on cliffs above Robson gl. Ice school up there too. Lost three axes in water filled crevasse - Rescue attempts retrieved two - one Rex's on rope. with flag pole + nail on it. Harry Green came in Thurs. Morris Taylor + 12 yrs old boy Marshall in camp. has other boy 16 yrs. One we knew as baby in 1940.

Sat. July 30. CSH. Eileen des Br Emmie + I went to adoplus Lake - more sun (faint) than we have had for some time See Bird List - CSH. hunted nest he found w. no. success - Camp for lunch - old rubber boat up there in holes - was it bucked off horse? old beaver cut trees. Hats purple w. Showy oxotrope - some seedum - yellow paint brush. Rex took party up Extinguisher yesterday + found Bea's cigarette case with our record in it from 1934. They had to take the whole cabin down to find it. And they left it there I'm glad to say + rebuilt cabin.

Sun. July 31. Church Service in Porky Palace. Monica put up strips of evergreen with paint brush in entry + place looked very nice - benches around wall + seats for nearly every one. Dave Bidwell assembled choir + they practiced outside grouped picturesquely around old stumps - Sang selections for church + walked out to a re-

cessional - Frank g. preached a good sermon & it was all very impressive. Pictures - Rain the agt. Annual meeting in eve. Exec had met most of day. Rex did O.K. all amused when he lectured Bob Hinds on tact. Bob had written Parks Dept an indiscreet letter telling them what he thought about them. Rex said that would not get him anywhere. Camp next year definitely at Glacier, B.C. Calgary Section not too pleased. They have been there so much. Will be Clubs 50th (& my 25th)

Mon. Aug 1. Still rain - Suppose it won't change till the moon changes! Tea tent popular - new climbers want to go out but older ones not so keen & this includes Rex & Bob. Jim Rielly hiked camp - also Perrins Elmer graduated on Tent up ridge tomorrow. Goodrich leading. Tea at Porky Palace served by Beth

Hanson, Elsa Urbani, + others. Va Reel + other dances afterwards 16-20 Then girls were afraid as one would come.

Tues. Aug 2. Polly on private party of Reis on gendarme (check spelling) is long way over + they came back down other side of Mummu. Went to warden's cabin beyond Lake Adolphus in am with Eileen, Frances Pennie met Penny + late Gladys Hanley warden away. Nice meadow. Some views + looks like clearing. Nap after lunch - Lunches in camp very nice. Mrs. Hanson lovely hostess in cook tent. Girls good but they have long haul in wet to eating tent. ~~They~~ went at 4 Pm with Eileen to Robson glacier. Cold wind + feet chilled. Noticed sore throat no place to be sick. Polly back late with sore knee. Was last on boulder slides coming home. Discouraged over climbing.

Wed Aug 3. Dosed throat but decided to pull out if possible. Eileen will come with me. Mist + rain. Seemed very difficult to start packing up. Charley to stay in hopes of pictures Ethné wadeing out too. Three of us came on together. Barclay Kirkman ahead of us having left early. Denny riding out w. packs which just don't get started promptly. Wally Joyce behind taking pictures. Helicopter came in for Harry Rowe photographer then came back for Jim Hudson who has some kind of heart trouble. He rode in but found switch backs difficult. Helicopter landed on flat near Hargreaves, then flew up to camp. Sorry I wasn't there to see it. Did see it fly around Empress Falls for Jim to get picture. Trail out horribly muddy. Met Marshall Duerig Ruth Wooley + 2 other girls at Warden's White Horn cabin. Also met man on trail who had parked

wife & five children at Hargreaves while he came into camp. Saw them later - also Hargreave girl has set of five there also. Bridge out each side streams. waded w. boots minus socks. Ethne going first. Bridge to Island dry - not too bad, followed Ethne over. She deposited pack on far side first. I was met on way in. watched Variety party hunting deep water for fording pictures. Passed tourists on horseback near end of trail. Mrs. H; & Roy riding bareback at various points. At Base camp met 4 Bruin Mateers from V.C. L.A. in car & trailer took me to meadow where car was parked. Had seen my name in guide book - Are camping there & taking try at Robson later - friends of group that climbed it first two & three years ago. Came back with car, passed Ethne walking. Said

she wouldn't have another chance for 10 months. Picked up Eileen & packs & drove to Hargreaves. Clothes damp. Cabin set apart for A.A.C. Washed up, sat in Kitchen by stove to dry out. Good supper at table w. Hargreaves. Then Barclay & I drove to Base camp. got Denny & duffles. All in cabin 2 with 3 rooms, bath & stove. Mrs. H. is post mistress & also keeps store Forestry camp at Robson now. Some of the cars were broken into I heard. Mine O.K. Dosed throat & to bed.

Thurs. Aug 4. off at 10 am Hargreaves time for Jasper. (Pacific S.T.) Passed Valleaus on way in but did not know it till later. Easy trip. Gas at Jasper & on to Icefields for lunch in Cafe. below. Buses mostly had left! Dinner at Cafeteria at Lorne & Eileen made 6:30 P.M bus to Banff. Checked in at Chateau - Room 174 over front - not too bad.

Fri. Aug 5. Staying put. got

Lake. Bert turned them in + picking
up Harry + Carson in dining room
del six went to Moraine. Wonderful
weather - Climbed Moraine at end
of Lake. Pictures - Lunch there
Harry lost his precious + historic
beret. Left him there to hunt for it
+ took wirebrekits back for 2 pm (?)
train fr. Ski Lodge - Edw. saw them
off. Back to Moraine, met Mr

+ Mrs. Gamble who is in charge of movies at Plain where Bruno Engler + Walter Perrin were yesterday. He has black goatee beard. Two of staff are missing. Thought to have started for Sentinel Pass. Three bellboys out hunting them in Para Valley etc. Reef Woodward + R.C.M.P. alerted. Came in late in afternoon. Having gone over Wenchemna Pass by mistake all relieved. Back to chateau. Pat Fitt had cocktail party at 6 P.M. went with Dwertys. Lady Drayton there + Mr + Mrs. Gaylord ?, Mrs. Roland hostess, Carson, Harry. very nice. Dinner with N. + C. To guides house + Edw. plans to take me + N.G up Devils Thumb + Needles tomorrow. Sent Ray to tell Harry who left early for party at the Gables (boys dorm over laundry). Didn't suppose he would take Brisby to even 8:30 A.M. start.

Sun Aug 7. Climb of Thumb + Needles. Harry up + going. Edw.

very pleased. Itching to get up there for 2 yrs he said. Perfect day. Girl who runs Agnes walked out when staff left. Place closed until girl returns who ran it last year. Nice climb - Beautiful views Pictures. Felt the effort necessary in stepping up ledges. Met Peter Herren with French Can elevator operator at Lake. They had climbed straight up Devils Thumb. Also met other staff couple hand in hand who had gone over Goats Pass. Girl had ballet shoes on & no socks! Said they started for little walk on O'Hara Trail They could still go faster than I. Down old trail. Tired. Tea in Hans room & drink. Canoe then. Then dinner w. them at 7:15 Guy Everett came in - at Deer Lodge. Did N. W. arete Sir Donald with Primiak - up & down - out from 3am Sat to Sun am. Guy does talk.

Aug 9. Tues. To Wapta in car w. Edw. to leave bags for O'Hara - Took duffle. blue suit case, fish spin rod + projector - Then started for Bow Lakes for lunch to be at Chateau by 2 PM. Car burnt dead S. of Mosquito Creek - N.J. car stopped - Mans father teaches math at Epis Acad! Took Edw + me to Bow Lakes. Pete + Kath whyte there - new part is very nice - Test drive - ons about car + tires passing - Good lunch young Jimmie a mechanic + got truck. He worked over generator etc. finally

found the trouble. Battery by that time was run down - Used battery from tractor at side of road to start it. Gave Jimmie $5 - Ran down to Lorne arriving 5 P.M. Eileen waiting patiently in lobby. Thot Edw had been lost! + we looking for him - Packed + checked out. Peter Heeren put bags in car + would not take tip. Met Edw. at little gate - Carson there too. up to Plain in 1 hr + 40 min. Irene Stanfield still has it. gave us dinner by 7:45. In cabin furthest from Ladies house! Lit fire in stove in eve. Cozy. Porkies squealed in night - must be several around - Slept well -

Aug 10. Wed. Called at 5:20. Breakfast + they put up lunch too. very cheerful girls - John Linn, Phyllis Hart, the banker + the ticket man. McRae + C — (Bill 2nd + John 1st) arrived for breakfast too - will follow Edw. John hinting about going Thurs. but I didn't

think I would respond. It was Edw's trip - He could fix it up with him - Up glacier 6:10 A.M. Johns & met up with us when we roped. wished for nailed boots but Edw. made little steps all the way up where steep - all had rubber soles - Crevasse opened up & Edw. had to cut big platform on upper lip. I stood on lower lip with snow falling into me belayed with ax along w. Edw's sack. Some step onto upper lip! - Then I stood on side of crevasse while he brought up all five of the others. very cold & hand went numb. Tried red lady about it. Then up over one small snow bridge & finally arrived at Hut. Stove not much good so gave up idea of tea. Pictures back of Hut & on Pinnacle ate lunch - wonderful day. Goodsirs great. Looked at ridge of Vic. Guess I'll never be there again. Ernest had Larry Harris, Harry G. on it at that moment. we found later - up from O'Hara - Down shale slope close together - Some snow

Met Dr. Frieda Fraser + Dr. Williams from Toronto near Desa - They want to climb w. Edward - Ate again at running stream near one of lower lakes. Then to Lodge. Mrs. Turck in charge, good food. Have Room 3. (Carson's old room) Eileen will stay two days. Sent her my clothes. Harrises, Sellings, Louise L. + Ernest here. Sat w. the two Drs Edw + Eileen - Major Longstaff in No 1. Edw. on Yukness with Drs. I need to loaf. but is Eileen's one chance. Made tea at Mac Arthur + feed gophers - Lake very blue. Saw

2 Harlequin ducks, brood of pipits
Down Kick tail - Drink w. N. J. + Smiles
but found invite from Lorine + Jane
for cabin 7. + went there instead.
~~Had~~ Edw + I showed pictures in eve.
O'Hara, Assin. etc. Projector high up +
hard work. Tired but were appreciated
Ford here + produced Dubonnet wine around
fire + stayed up late.
Aug 12 Fri. Eileen + I to opabin cliff
+ made circuit back by water Lake.
Lovely + peaceful up there. Ernest on
Guiders + Lorine asked me to go but
was really too tired. Harry wrote
letters. Aftn lunch took Eileen as far
as Bird Meadow, Harry carrying her
pack - She is off to Banff + Vancouver
on Sat or Sun. Was a good sport to
come. She enjoyed it all - Looked well
in my jeans + hat! Told funny story
of hitch hiking up to club w. Ted Goodall.
They separated so as to get ride - Then
Eileen when picked up said "oh he's a
friend of mine" + both pretended

they had just met them. Both got ride Harry + Jim Cataract Brook. I then I took nap. To Hammonds for drinks Crowd all there except Edw. + Harry who were with the Doctors. Wrote letters in we to conversations all around me.
Aug 13 - Sat. Edw was going to take me with doctors up Little Odaray But storm came up yesterday with Some snow-like hail (as we came in from Cataract Brook) very misty this am but clearing - Portlanders leave - Urged them to go to camp for few days next year - Edw. taking Doctors up privately - wrote diary. Then to see Grassi + had quite a talk. He is not keen to take Club take over Abbot Pass Hut. Harry has written Mackay + Rev about it. C.P.R. doesn't want it. Then towards Moose Lake + bushwhack over hill through woods to trail - a bit late for lunch. Wilmington family named Pyle here - Also Biker named

whitney from Mont clair N. J. but stationed near Cleveland. Came in with heavy pack containing movie camera - Harry starts pr ocess - I finished diary on steps of porch in sun - Showed rest of my pictures + those of Edward in eve - Put projector on card board box but its high + tiring to use. Aug 17. Wed. Walked to big meadow w. H. G. as he was leaving. Porky there but birds very quiet - Then around Lake. Hammond fishing - Two boys started for Crystal Cave but came back.

Two fast. Lunched at Lodge with Dave Cox - at Wesleyan - talked of faith, belief, fraternity, career etc. Gertrude Smith, Phyl Munday, Mr + Mrs. Fairley came by Lodge. Ate at ACC Hut. Have brown spaniel named Smoky. Mr. F. fishing. walked to Hut w. Phyl. Hap + at Dr. Fraser's for drinks - Kay McCormack, Joan Peppiatt + Pat Boswell there + at table w. Ruby Bere from Madison a bacteriologist - born in Winnipeg Dr. Ben Hodge talking about Assiniboia + Georgia Engelhardt - was there in 1934 + rode with her over to Marvel Pass when I was camped there with Chris - Haven't been out here since.

Aug 18. Thurs. Over Wonvary col with Hammonds. Left about 9:30 am. Beautiful day - 2½ hrs to col. Lunch there, then down scree, over snow, boulders cut around to left to little

lunch meadow. Stones coming off unwieldy load. Strange birds. some very gray vitus seedgirl. Down through timber with heavy moss. I followed moose track zig zagging down. Not too bad but Hammonds are new at it. Reached stream pretty far down but above big bridge. Crossed stream on wet log w. Hammonds help. Elsie slipped in to knees. 1 hour up to Lodge. Tea w. Mrs. Turque & Dr. Hodge. He on Yukon w. Ernest but stopped at Col & came back alone. Drinks at Hammonds w. Mrs. Turque. Doctors told of Doris' calamities. Tired wanted to go to ACC cabin & sack. Plugd to dinner but decided against. Roped into Scrabble w. Rosemary Col & small boy. Mr & Mrs. Col. Very poor. Wrote diary. Was probably first crossing of Unwieldy Col.

Aug 19 Fri. ~~Lyons~~ Arthur Leins AAC 1951 proposed by H. Kuyjian on Victoria with Cruesh. The young Van Dusens, Rosemary Cox up to Macarthur; the two women Doctors Ruby Bere, the 3 Coxes to odaray to watch. Lent Mr. Cox my field glasses. Went over to ACC cabin - found Phyl + others just loafing around. grassi working on masonry around base of hut. A hard job. lime + mortar hard on his hands which have finger done up in adhesive tape. Chat about Climbers, camp etc. Beautiful day but developped to be quite windy high up. Back to chalet to write letters etc. Lobster salad for lunch alone. wrote most of afternoon. Dinner w. Ruby Bere in corner table - Ranger Brooks from Wapta w. wife + 2 little boys here + showed pictures - mostly flowers - Phyl + others over. other Ranger w. dark haired wife also here. Has been cutting trail

Aug 20. Sat. Rain in night. Thunder too. Barometer steady however. Finished writing letters. Did up AAC letters hour - 8 more left. Phyl, Gertrude & Fairleys all to dinner - Marg Fleming & Edna arrived about 5 P.M. cheerful & not too wet - gave them dry duds. Have room 4. (Links) Ruby Bell made 8 at back table for dinner - Shrimp cocktails & steaks very good - To go to Cathedral Basin tomorrow if clear.

Aug 21 Sun. Trip to Cathedral Basin w. Phyl. Gertrude Smith the Fairleys (Jay & Aubin) & their little cocker spaniel Smoky. They came here about 9:10 but Phyl stopped 20 min for picture of Cath. Then down main road to wardens trail to Linda. Fairleys fished Linda for ½ hour - Fish not interested but came up to look. Then cut thru woods to Cath Lake, crossed stream bet. them & short distance later cut up hill towards

Mt. Cath. It looks very different from this having long ridge of broken rock at this end. Went up delightful little meadows of gleabane, arnica (sweet-smelling) marsh grass + tow-headed babies (chalice cup seed pods) erigerons (small yellow dandelions) larch trees. To goat cliffs + we explored them to right scrambling up cliffs + around ledges. Signs of bit us goats - ate lunch in tiny valley to right w. water + wood. Larger patch of green meadow below. Tea + bouillon + 2 bellies - afterwards Jay went up cliffs followed later by Gertrude + me. Flat rocks along top + came out on scree slopes above main valley - small lake this by cliff - reminded me of valley above Lunch V. Pictures - one nice Lunch on edge of cliff. Then cut back to trail down. Fairly ahead to fish in Linda. Phyl always has trouble w. knee + is behind - missed cut off + got back on trail to South end of Linda - Made tea

there - Jay preferred to fish - Phyl Gertrude & I back first took wrong trail - one that leads to morning glory Lake - bushwhacked through woods to warden trail. I came to report in at Lodge but went back to eat at cabin - girls just sitting down when I came in - Bear around Lodge at dinner - good meal of roast beef, vegetables potatoes - Christmas pudding for dessert. Sat by big fire in cabin in eve, grass picking on logs - Fairleys walked home with me - Beautiful stars. Long day & tired but worth it.

Mon Aug 22. Trip to Oesa & around Yukness shoulder. Left around 10 am. Dr. Hodge joined us. Around lake & up regular trail to Oesa. Jay up far side of creek & girls went to head him. I stopped for lunch at lake before Oesa - better wood, less wind & cold. Jay soon appeared at top of cliffs above. Phyl went on for

picture while sun might be out. Good fire + nice lunch. Jay appreciating. Then Edna + Dr. Hodge returned by trail. Six of us following red blazes around cliffs - only one place off track where we did not go down far enough. Then around beneath cliffs to lower lake - Storms in offing all day - Big thunderstorm about to break - Jay ahead to build fire + make tea. Did so near rock at lake. Cute place - Drank hastily + I pulled out to get to timber before storm broke - Had left rain coat behind - all wet but O.K. - [my pictures of Horseshoe Lake came + I showed them in the late evening Tues night]

Tues. Aug 23 - Plyl ete to Opabin Pass Tired + took easy day. Walk. Edna + I to cabin, talked to Travis, then around Watu Lake to spot place for picture Dr. Hammond says is good - of Cath Mt. Back for lunch. Slept in aft. Over to cabin in eve + found it very pleasant around blazing fire. Fire here is

no good as wood is green. Showed my new pictures.

Wed Aug 24. Misty & probably wet rain. Ernest took Dr. Hodge & Mrs Tuttle up Little Odaray yesterday. Mrs. T. only went to point above cairn. Hodge thot it an experience. Today Ernest was to take Dr. H. Betty & Pat (staff girl) up Odaray. Raining but girls went up Little Odaray. We watched them from cabin. Phyl & Co washing windows chopping wood etc. Then 3 of us up to Schaffer cairn & all birds. Edna almost didnt go but M. persuaded her. complains of bi-focals. Mist rain. hail sun alternates. Ate below cairn. Then on to opabin cliffs. ate by little lake w. fire on lake edge & we huddled under slanting rocks. Fire burned well. even started again for tea after heavy rain & hail storm. Home by opabin cliff Trail by 3 pm.

Bath mgs. diary - John Linn, Phyllis Hart & John McRae expected tonight on horseback to go up Victoria tomorrow with Ernest - wrote letters in eve. girls wanted me to show pictures but new crowd in & all reading - begged off for tomorrow night - Linn party not in before 11 & to bed.

Thurs, Aug 25th. Hammonds leave promptly - I am now the oldest resident. Girls later than 9 for breakfast so started for ACC cabin to say goodbye to Phyl & Co. Found Jays 10 mile measure on Opabin Cliff trail. met them on road coming to say goodbye to us - Chat - Then I walked down Cataract Creek trail with them - Lovely & went down to auto bridge Then back taking trails through woods & finally trail to ACC meadow. Looked over Wiwaxy col trip route down - Song sparrow (?) at old ACC corral. Back about 12. Henry Kingman arrived few minutes later. Rode in from Wapta in 2 hours. with two others! Has cabin w. bath. met Harry Green at Sta. in Banff & soon got

caught up with news! All four of us
ate lunch together. Diary - Walk
in aft up Opabin Trail, around
lakes + down Opabin Cliff trail. Some
rain - Two photographers there.
Edna went back on horse trail. Young
Bushnell student here O. Patyon from
Villa Nova - with family from Cal.
Showed 1954 pictures in eve.
Friday Aug 26 - Rain - Sat around
+ tacked - wrote letters. Lunch in;
Rap + Henry routed us out for walk
at 4: or 4 30 - to cabin + made tea
Mr + Mrs. Peretty (?) he at photographer
came with us. I grazed out at Cave
to get crystals - Came in as we finished
+ I got him tea. He looked very tired.
Sat around fire which was cheerful
+ warm. Showed new pictures in
evening. O'Hara company thinning out.
Sat Aug 27. girls leaving so as to
go to Banff to get things before going
home - walked down road with
them almost to "Auto Bridge" Then

Henry + I up old trail to cabin - Rainy. Grassi digging new pit to get sand + to bury cans - Stopped + went in + built fire + we sat around - then said goodbye to him. He will probably come in over Labor Day as too many people might come in. Heard later Calgary bunch were going to glacier - only 4 guests at O'Hara. Couple - she with prom teath + he had sprained ankle Henry H + I. Asked Grassi to lunch with us - he refused on acct. clothes. Says they would wonder why we "had taken up with a bum". Rested in aft. Walk around lake w. Henry before supper. Platter at dinner absolutely large - piled high with potatoes, 2 veg, salad + large T-Bone steak big enough for three.

Sun. Aug. 28 Beautiful clear day - So many Sundays have been in Aug. Walked out with Henry taking Cataract Brook trail - Henry never down it before - very nice. He had Driv-ur-Self

1955 Pontiac parked behind waffle. Ford told me my car was at Junction all ready for me. I had written Stan Boyle who was station agent at Louise for years + runs the Gas Sta. opp. the Ski Lodge to get it + charge battery. He didn't have the equipment so Smythe of Junction Gas. Station did it. all O.K. both A + I got gas + met at Cafeteria for lunch. Then he went on to Jasper I got bags checked at hotel, went to say goodbye to Walter - Told me Mrs. Brigden was looking for me. Finally found her by dining room. Long talk. Mrs. Lyall went home after two days at Louise - cut out Banff visit - afraid she didn't feel well - She went with me to see Walter again + then I left for Banff. Room 588 at B.S.N. Bathed + dined with 3 other lone women guests in Fairholme D.R. Conversation out of comic strips. One on tour W. 57

others, two bus-loads but all on their own in hotels - seem to like it! one alone - wouldn't travel w. other woman friend for any thing - bored at drive fr. Louise w. everyone taking pictures! Third younger + all keyed up about her trip. Went to Club house in eve. Bea had just taken Aileen home - Stopped at Aileens - To dine with her tomorrow night - "eat chop" she calls it.

Mon & Tues.
~~Tues.~~ Aug ~~30~~ - 29th '32 Bea has gone to Calgary. will see Mrs. Lyall + go to party at Bob Hinds - will return Tues. night - Vallance refuse invite to B.S.H. for Tues night - say it is too much - Mrs. Deason (Madge) still with them - would love to have had all 3. Sid not home. Doris had lunch all ready. Pearl Moore will store my car in her No 2 garage for winter - I to make donation to Cancer Fund. Told me all about Geo. Brewster's Jim + Joe latter has taken Sweetheart - who drove out with Ruth Woolley - got

telephone switchboard job at Mt. Royal. Joe has charge of reservations for Brewsters - works hard in summer - Claude's brother (didn't know he had one) also has two boys. were not in Banff but cleared out & went up north somewhere - have a business there. Pearl says Jim & Joe will inherit Brewsters transport if there is any thing left of it" when Crosby goes - Ritch W. told me Fern was backing Joe - Lunch at Harmons made list of things to go in trunk & some in car. Packed for Vancouver etc. Eileens "for dops" She is having stone posts to support beams remade. Two young men doing it - friends of hers - took her to camp ground to find man with Carnes old truck who will bring her more stones. She left note for him - Then I showed new pictures to all of them - She gave me picture of young robin Lloyd took on Mikkins place

Bea back - Mr + Mrs. Greaves Mr Tate there. Bob Smith + McGrew family Tate showed Garibaldi pictures afterwards - food but has too many Left at 9:30 PM - Bear + big cub around parking place Scales at

Sound of Bob Smiths motorcycle horn. He went up Sunplum on it. & down in 20 minutes.

Wed. Aug 31. Said goodbye to Mrs. Whiteman - Had operation this July & is very thin & weak. Stopped at Pams to ask if I could take pictures of the 3 - asked me to lunch at 12. Soup & sand. Hope pictures come out but shutter is sticking. very cordial - asked me to come see them next year & as early as I could - To hotel & put bags & films in check room 4 pieces - suit case & duffle for space on Canadian at 3:10 - 3:15 at Banff. To Woodworths to cancel liability Ins. on car. met Sid telling fish story there. Then to see Harry & Jeane Ney with him. Parked car at Pearl Moores by gate. Sid picked me up & took me to sta. very nice. Train dawdled on siding to let train going east

past - 1/2 hr. late at Lorine.
Beautiful trip - moonlight night.
Edw Terry in garden as I passed
through Golden - could not see me.
Mailed Lettie 2 slides to him at
Revelstoke. Not in bunk but com-
fortable. Dinner w. 2 women one
great complainer, didn't get her beef rare
Thurs. Sept 1. Stood 35 minutes for
breakfast - got up at 7:20 and in dinner
at 7:40 just the worst time. Could
have come 1/2 hr. late & been served
right away! Said that steward was
new - green keep - college boys! ours
took things casually & amused.
Eileen at train door as I gave her
number of car by Lettie. Carried bags
upon leaving stairs got accom. back on Fri.
Sept 9 on Canadian - To Eileen's car
a Packard - Drove to 1331 W. 33rd St.

in late for lunch - is youngest of family
two brothers in between both gone - mother
dead 7 years now. Is to move Oct 1st
as house is sold - settlement the 20th.
Neither she, Mary Gallagher who lives
with her or Wong Kwong where they will
go. Drove up to queen Elizabeth
Park pick up street ten minutes - a
quarry that now planted with flowers.
Beautiful view of city - Two ski
tows + 2 bridges. Mountains about
but are shrouded in mist (or smoke
as woods are dry + fires are all
about so paper says) but clear in
aft. Early dinner 6:15 gotten by Wong
w. Eileen + Mary Gallagher - she in
long white dress ready to go to her Lodge.
Eileen + I to the Fairleys. Phyl
there + Jay's brother Art + son John

about 15 yrs. Lovely house built on a rocky side of steep hill - overlooks water - heather & planting - Stumbled out around garden in semi darkness. Had hard tussle to find it - modern, not yet completed - Jay doing a lot of it. doors to closet for instance - Picture windows - liv room D.R. kitchen, 2 bedrooms. Fire in L.R. - Certainly secluded - other places about quite lovely gardens & flowers everywhere - Roads very hilly, gravelly & narrow. with any snow - ? - Pictures of trip by Phyl Jay, Eileen & I Coffee tea, ~~cake~~. Bread w. raisins brownies very rich (took one so did Eileen) Left very late. Took Phyl home - home at edge of road by bend Liv Room filled with Mt. pictures Don & Edie - Late & to bed by 1:15! Slept wonderfully & all night.

Fri Sept 2 Breakfast w. Mary whose day off it is & Eileen - Go to sightsee Vancouver after phoning Mary McCowan her sister is sick - will see her tomorrow

Lunch at restaurant in Stanley Park. walked to + around Beaver Lake. Children zoo of sheep goats pig donkey chickens Mallard ducks galore - one blue winged teal, one green winged + one wood duck one mandarin - gulls - herring and Bonapartes (?) brown + white pelicans great blues, great egret (like am.) + brown herons something like little greens - Signs not kept up to date - watched boats - one jap one, go in + out of harbor with rips tide - Saw Capilano golf club + British estates developments on tree denuded hill side - Home for dinner - Wong puts dinner on at 6:30 whether any one is there or not. Pictures by Eileen + I tied it then to g.E. Park to see lights - Slept well again after bath.

Sat. Sept 3. Breakfast w. Eileen gotten by Wong. Then walked down out to Golf Club & around block. beautiful day but misty or smoky. wrote diary - Eileen to shop. went out to see Mary McCowan at Cloverdale - wh is down towards U.S. border. Lunch at the King Neptune, in New Westminster looking out over Fraser R. McCowan house on left at end of road. Mary's sister Mrs. Chas. Moody - who has real estate business (or husband has) Bushes quite grown up along drive - attractive house with living room & second room beyond both looking out over garden & steep bank down to stream (can't see) & much trees. quiet & secluded. entered by kitchen - have one bedroom & bath. Also study back bet. bedroom & 2nd living room. Mary very cordial - seemed burdened over phone yesterday - had company & sister was not well (gall bladder attack) Dan Butler wants to come home over weekend - is in wheel chair - Took Mary for drive to

Crescent Beach + ocean Park where
we stopped to see friends of Eileens
Murray + Joe Brink (brother of
Alpine Clubber) who had stunning
place on bluff - gay colorful garden
(all are here) + big trees. Sweet
lookout house on bluff with fine
view out over water to Pt. Roberts
wh. is U.S. territory - children living
there have to come around to U.S. to
school - Stopped at White Rock with
Mary - I had taken Dan peaches in
basket - Brink home not as attractive
as garden (they have only had it a
year + have home in town) Had tea
w. Mary when we got back. She upset
talking of Dan at end - maybe we
stayed too long. She says she isn't
"reliable". Home for dinner - Then out
to see lights of city + at Pt. Grey around Uni-
versity of B.C. - Party in one house very
elaborate. Looked in McKenzie house
for Pres. of Univ + she an organizer - Mary
Gallagher at her cousins for weekend.

Sun. Sept 4. Trip up Mt. Seymour with Eileen + Emmie + Eric Brooks. Called for them about 10:30. Drove up Mt + parked near ACC cabin near top of road. very hot. Walked up narrow little trail to Mystery Lake. met Phil Brett with older couple coming down. He expected to come back + join us but did not see him again - is just the same as at O'Hara 3 or 4 years ago. Then on to Pump one where one gets view of Garibaldi Park Mts Emmie feet sick (heat probably) + stayed behind in shade but skeeters were bad. Climbed up last rocks + couloirs on steep trail - in low rubber soled shoes. Eric had bramanis on his - Eileen feet heat also. Passed man on descent who seemed to have had sun stroke. were bringing ski stretcher up for him. Eric keeped bring him down into shade too. Ho of ACC also keeping. Had tea at Inn on return to cars. very hot. Back to Brookses for buffet

supper in living room - very nice
Emmies house - apt on ground floor.
Her father & uncle live with them.
but were out & did not appear. Eric
showed pictures of camps & those
Emmie will show Tues night.
Mon Sept 5. Trip planned was up
Hollyburn but Eileen didn't want
to go - would be hot, tin canny &
unattractive - Mary Follis, Martha
Van Guben planned it. Mary
came for us at 8:30. we met Mar-
cella Moody & then Martha in a
Hillson car (small, has no guts. Say
Martha) went to dam (Cleveland?)
at head of Capilano Canyon. Waded
down on trail thinking we would
soon come to Suspension Bridge
got there at 1 PM. 1½ miles by hot
road back to cars. Started on trail
which often divided & petered out.
Lots of huge tree trunks, some devils'
Club, steep bare pitches. Cool for hot
day & we all loved it. Some

bushwhacking - met couple on rock at Box canyon. Blue heron flew along. Also Kingfisher dived for fish. Earlier saw 2 glaucous gulls on tree fallen across canyon. + late a downy woodpecker Marcella said pileated but it was very small for that. Large fish in shallow water below canyon. Crossed at bridge while Martha + Mary went ahead in cars. Ate lunch at camp-site near river at table. Then up grouse Mt Ski Lift - 2 parts. at top of first is called The Village - Ski cabins on hillside Then up to top. Walked to Devils Leap where ACC had cabin + rock climbed spectacular cliff - pictures - number of others there. Then to chalet but back to village Inn for tea - Chair lift is double seats - Left Martha there + Marcella off at her stop. Nice day + Eileen happy we didn't go to Hollyburn. Dressed + went to Shaughnessy golf club across street - nice dinner in pleasant surroundings - Then Brookes came in +

I showed my pictures + ~~Em~~ Eileen
hers - Had ginger ale + they left
before 11 as School starts next day
Ernie to teach too + Eric is at new
school having applied for principal's job
will be Asst. principal this year.
Tues. Sept 6. Lazy am + then pick up
Steve Carroll - Drove out Horse-
Shoe Bay. Lunch first at Maurice's
at new shopping centre.
Passed Fred Bell's house high on hill
+ friend of Eileens whose daughter
has built house out on point - very-
modern - girl announced her engage-
ment to son of Raymond Massey
before I left Vancouver - to be married
Sept 21.) Eileen much excited - Steve
same as ever. Attractive house - modern
+ not too much stuff in it. Home by 4.30 -
Rest + dinner w. Eileen + Margaret Gallagher
(She's from Calgary) Then to Art Institute
to ACC meeting. Ernie Smith Pres.
Ev. + Valerie there + Ev's mother, Father
+ sister - Section had a trip by plane

to Tantalus. Pilot wouldn't land on Lake there & took them to Garibaldi instead Then was late in coming for them & they got home for work late this aft. Lots of girls at meeting, only 3 men. Pictures by Mary Falles, Emmie, Eric, Phyl. Beth Too many bit good. Sat w. Emmie. Home late

Wed. Sept 7. Left on plane for Van Is. Trip took 20 minutes - Airport towards Sidney where Ayland's brother has a farm They met us & we had coffee at farm with them & Mrs. Olivier the mother of Arthur's wife - nice person who sat up in bed & received us. Has poor heart - Pleasant rambling house - looks out on orchard & fields & garden - There are several boys & one girl Anne who had been sick (suspected polio at first) age 10 - George oldest All loved farm. Left in car - Muriel drove whole way - went up to Nanaimo for lunch - Trouble parking - Then to Campbell River for night - at comfortable Inn - Idyll for Malcolm fishing - They

go out in small boats w. outboard motor + generally a guide - but must row when trolling for salmon. Run is mostly over 2 days ago. Said to be few boats out - met wife of man who writes for the news paper known as "Pintail" - He was a guide - Also other wives of fishermen - One man caught a salmon - small one of 32 lbs. They run up to 70 + get diamond button for one that large. In room with Eileen looking out on lawn + Campbell River. Some surf-skiing below hotel. Short ~~walk~~ ride after dinner to see Salmon at Tyee Club near airport.

Thurs Sept 8 - Went up to see Campbell Falls, Cameron Lake with grove of big trees - cedar + Douglas fir. Lunch at Qualicum Beach at hotel owned + run by Iris Brown (Mrs. Arthur) a friend of Eileens - She invited us all to lunch - in large pleasant dining room at table for 5. Seemed very glad to see Eileen - Had lost

mother then career this summer.
Then on to Victoria + Aylards old-
fashioned comfortable house back
of Victoria Empress Hotel. Parking lot
between. Changed to dress at their
house, then to Empress - met Nora
Project + Nan Eaton + all had dinner
there. Saw conservatory, ballroom etc
Then got bags at Aylards + went to
air port. Short trip back. Air has
been smoky + misty whole visit
with sun emerging at times - but
all very pleasant -
Fri. Sept 9. Breakfast at 9. Then did
diary + news - Went to market with Eileen
taking Wong Fish to doctors - he returned
in cab - Then to see apt wh was ad-
vertised. Sunny + bright, living room
bed room Kitchen + bath - but looked
onto other windows + walls - Then to
second place near water with managers
house in rear. No one home. Too near
water for me - feet damp. Eileens
friend Alice Keenleyside came

for salmon salad lunch - Left soon after for mother was ill - Then to another friends for tea Mrs Major Lovely tomato Sandwiches - amusing conversation about job of one of them at Blind People Home in Edmonton. Home for dinner - Mary has cold. Bill took me to station - diff in parking - Have roomette on the Canadian - Lights lovely out of Vancouver - Stood short time in Vista Dome - all seats occupied.

Sat Sept 10. Got up at Revelstoke for breakfast. Mrs. Terry in garden at Golden - She waved when I waved from last car - Quick trip to field as I ate lunch - Lake Louise + Banff. Met by Sid, Doris + Madge Alex C.S.H in new buckskin coat - ~~Sid~~ Callaways took me to hotel + said goodbye Repacked bags in the checkroom 3 to check + 2 (suit case + film case) to take - got mail - Also reservations last on Soo Dominion

walked down to station - CSH. there
He'd been to Ptarmigan, Egypt
Lakes, Assiniboine - how will drive
up new highway to Red Deer, just
opened - wanted me to stay over + go.
Have lower berth + only upper
tomorrow - Train full. Dekker as
I left Banff. Read "S" News Report. +
wrote diary. waited for Calgary con-
ductor to see if I could get better ac-
commodations - seems as if car is full.
Couple opp. me + women down aisle
went rooms or roomettes too - Cold
in night + got up + got extra blanket
from unused upper berth. Couple opp.
complaining. very cold - wind came in
through window panes - got up at 4 am
went in club car - cold there. My berth
very hot in am -

Sun Sept 11 Train in mountains when
I dressed + went to breakfast. Porter
making berth. Sunny + clear but heat
still on in car. Couple opp slept + he
snored - Read Time - Short walk at

weyburn - sunny + just right temp. Can. nat'l tracks paraded here - Customs man no trouble - walked over to Postal. Couple opp. went out to get blueberry pie at hotel there. Said they had very good home-cooked food - Birded east of Neeman. mostly mallard ducks, 2 blue winged teals, bittern 2 great blues + lots of coots - also sandpipers. Train moves along - gulls of course + 2 jack rabbits; sandpiper could be yellow legs or even solitary. all ducks swam away from train also saw shrike? marsh hawk - doves - Dinner about 6 pm good lamb chops - all good things. Nobody came to number one yet but will no doubt come later porter says. Sat in Club car while porter made berth. upper not too bad but miss roomette - Slept well till long stop about 4 am when man snored awfully in ~~lower~~ upper opp. Rough starts woke him up.

Mon. Sept 12 get in on time. gave porter bags + they will be on train. upstairs to wait + gate opened about 3 minutes before time to start. Hiawatha leaving then too - few people on zephyr. Juice - Relish breakfast - last muffins were - Route is along Miss. R. wide + smooth Music plays prettily - many Gr. Blues, some egrets. Flocks of black-birds - good platter lunch of hot chicken sandwich + dessert. Left Miss. R. at Savanna at 12:28 P.M. Arrived ~~St. Paul, gave porter bags + went upstairs~~ Chicago, wait for bags in station, phoned Seg I.S. will meet me.
