Alaska trip in
Separate Diary -
(Red. 104 one)

1966.

June 7. Tues.
Checked old blue suitcase & small duffle at 10 A.M. in 30th St Station
Fri June 10. John came at 5 PM & Sig, Ber & I went to 30th St Station met by Joe Collins who had arranged trip for me Station 16 End of platform - Took 2 suitcases he & one & Tim one each to Center Shop. bag w. supper - Wayne's special & milk in baby bottles. Ate sandwich & 1/4 banana on train - window very dirty & John wiped it off with his hankf. Slept fairly

well.
Sat June 11 - only few min. late - Birks were out of town. Did not contact others Toured Simpsons, Eatons + Morgans, + Birks - bought vanity case at last named w. bird on it pm M.D. wrote letters in queen Eliz to Sig John. Joe Collins, I G R + Lena Hale - Then to Panorama Room for manhattan + buffet-lunch Got 3 more little monkey cocktail cherry holders - walked over to CPR. Sta + in car 107 Roomette 2 Bed slides in, not pulled down - is better - Relish salmon pm dinner - Sat next to Montreal Secretary who was very pleasant She ate roast beef + a piece

of my salmon - Had lady finger from last nights supper for dessert - Do not have meal tickets this year - Reading time U.S. News + W. Reporter - wrote diary

Sun. June 12. Slept well after 2 am - Air vent very noisy used Kleenex instead of heavy blanket - misty day - RR locomotive engineer 40 yrs on road at breakfast told of origin of Dago (see back of diary) off at Schreiber about 11 am + met John Linn on way to Chateau - Long talk - Lunch of seafood salad, mushroom soup very good. Read Science Teasers - good book - Rest - out of grace - Drink w. John in my roomette - He had rye

Iscotch- my cuts + bolts.
Dinner together in my
diner - Read in eve - Out
at Winnepeg + phoned Marg.
Fleming - John phoned Mrs.
Brigden who was in bed - They
have D.T + it was 11:20 then
Iron, Jasper 13 Train a bit late. Hot
cakes good + bacon crisp - met
John en route to breakfast as
I went back to #2, 107 - Lunch
2nd sitting - Boarded Sebastian
on train - woman + child with
him - TV. Star so porter said.
Train late at Calgary - Phyllis at
gate w. her mother + father
later went up on platform +
talked - Train didnt leave for
long time - after 3 PM - at Banff
at 6 - gave bags to BSH. porters

then found my 2 checked ones out of customs 70¢ storage charge. They had come right through. Walked to garage - car del OK Bruce Campbell now in charge. Harry Rebes in Calgary; Hubert will be there this summer - Then wants to do something else - In room 788 at 7 PM. Tired - rest - drink - dinner up. stairs soup - chicken - dressed - toured hotel - met Jean Park. Movies each night at 8:30 Tues ~~June 4~~ 4th Hard sore throat - took ornade at 3 a.m: ate secrets. To clubhouse with books - Dutch there to cook for 4 mateers led by Brian greenwood - not very happy about it - I left sl bag - tent in hall closet - Errands downtown,

went to see Valances. Doris
housecleaning w. vacuum.
Syd bad guest. will come to
dinner tomorrow night - out
Vermilion Lake Road - one
red-necked grebe was all I saw.
Lunch at Snack Room - In room
all aft. Dotch for dinner - Jean
Park joined us! Sat in Fair-
holme ~~range~~ lounge & talked. She
took taxi home as my cold is
developing a bit - Have
Sat night puzzle to do -
<u>Wed</u> - Felt awful in night - panic -
used aspirin solution for gargle
& feel better - Lots better in am -
Took things easily - downtown in am
for w.key & flashlight battery - Lunch
with Gladys Watson & her guest - Mrs
Wellington? who lives next to Nick

Mor aut - In aft. sorted stuff. + got all straightened out. Will take blue suitcase, small duffle + tiny blue " " - Leaving big duffle + light blues S.C in car. Vallances at 6:15 - In cocktails (canapes all gone) - (5 pm is their hour) + dinner. They enjoyed it - Toured hotel conservatory - nice seats, less flowers but nice; met Jean Park. In room talking - Mary Wright divorced - Harry Lebeds wife is ill in Calif. Hubert green wants to do something else has money now. He said he would get me new car next year - I suggested Chevell - I would like power steering

Thurs. June 16. Dressed + went to breakfast - quite crowded - bus boys serve you coffee constantly - Rolls not as good as Louise last year - - Parked finally for Canadian

weather is beautiful - Syd met me at Evelyn Chapmans & brought me to hotel - Porter Sam drove me to station in his car - My bags have been stored in car for my return. Took 3 with me on train to Van - ~~Edson~~ blue suitcase smallest one + small duffle.

Fri - June 16. arrived Van at about minutes late. Eileen Res B. met me & we went to her apartment - #403, 5926 Yew St. Yew St. has bedroom which I occupied & she on couch in sitting room w. dining area - small kitchen, bath. tiny porch out of liv. room w. chair to sit. She parks car in covered area in side yard. Looks out on other apartments with open space & can see beyond a bit - Her friend nearby - went a bit late to Shaughnessy (?) golf Club for lunch meeting Bernice & Marnie Lewis - Lovely new club - modern - preparing for big party &

many cases of liquor - Drove around U.B.C afterwards many new bldgs since I was there before - passed Mack enzies former home - Toured Japanese garden - admission by name Lewis - Eileen Keen to show me everything Tea at by 4: or after - Rested Then went to pick up Phyl who has had operation on her varicose veins which were opening - Knees very bad; Edie coming over from England - does not know her wishes as to what to do. Went to restaurant Trader Vic but reg. food one not Polynesian or what not - Nice dinner + much talk - Poor

night, some rain - Took Pluff
home - saw her home + garden
for a minute when we called
for her - saw Fiske's + Hamp
home across street - Lights
there but too late to stop.
Lots of driving in Eileen
+ we got back late -
For rest of time +
Alaskan trip see other
diary

Thurs. July 7. glad to be in one place for a while - lots of washing sorting - Muriel sews letters from Sig - his letters returned to her - had only one at Eileen's + one at Tahoe. Dennis de montigny building kitchen in laundry room for board + keep - Sparling here w. Audrey + Laurence little boys now not babies - Barbara's sister's children + later had talk w. Eleanor (Is her name Kelly?) Eileen appeared just in from trip w. Muriel to Waterton Park - Had dinner here on her own - Ratch here too.

Fri. July 8. Errands - went to quigleys as I lost filling in another back tooth. He took me & did half the job right away - to return at 11 am tomorrow - met Syd Vallance off Pearl Laundry & he drove me to quigs. Doris in garden & took short walk yesterday. Syds office in new bldg opp. Pearl Laundry at corner - sent films to Van to be developed, bought new ones, got slurry & scotch. Lunch at Club - same cook best meal we've ever had - some of same girls - one & Jerry the boy wrote welcome back menu - gest - from Everybody in dust on my windows.

met Morants in car by Vern Lake.

Aileen for dinner + then out Vernon Lakes Rd - found Red-necked grebe's nest. She was on it + male was building it up. Then to Fine Arts School to see pictures by W.V. Crich and Boris Korbakine - fine show but too long, room airless + hot - not out till 10:40 Brought Dorothy White + Hannah Johansson, nurse from Boston who is nurse for Peter Whyte now. He is in bed with Two nurses Kath sent in them fr. Boston as they nursed her mother. nurse lives above library.

Sat July 9. Dotch left yesterday with other

Perks to climb Mt. Peck
Aileen was to go but hurt
her ankle + has bandage
on it - went to dentist who
said to delay lunch - so I
went to Johnson Canyon -
Swift is on nest - met

Harriet + Bob at glacier
I believe - to be here Wed -
nesday. They met at camp
I believe. Margit Mitchell
arrived - T. C. Starrett on
her trail. Walt Sparling
+ Dennis building Ketchikan.
Read Time about Hanoi
oil bombings + other news
Scranton might be sent
to Viet Nam to replace

Lodge! Finished alaskan
diary - paid bills etc.
To bed late
Sun July 10. Staff woke me up
by 8 am! Finished alaska
diary, did films - In aft went
to BS!H but there is no RR. Man there
now - walked down around
old fish hatchery site + by river
bank by road in rear of Brown
House - new. Houses on that road
now - Morants away - To Aileen
for dinner; Barbara Fulton
(in from Queen's school at O'Hara
where Man fr. Calgary Compton
by name - has sports store said
she was a natural) + Carol there
also Muriel - Dinner of tongue
concoction, cauliflower, served
mostly by the two girls o Talk of

Alaska - Muriel of Yukon -
Aileen said Can Geese nest in
osprey's nest on Bow - Home around
10 PM. bringing projector up -
Mon July 11 Had to go to dentist
at 11 and - ordered accom
home for Sept 2 - went to bank.
Back for lunch - Took thermal
underwear to Aileen which
I wore once at Kotzebue -
Dotch there & she went out to
Verm. Lakes on an hour - Red -
necked grebe on her nest.
Barrows Steel has 2 babies.
Left Dotch at Aileens again
bought 1 = worth of Seedless
grapes & went to See Cath-
erine Whyte - Pete has been
in bed 6 wks - was in chair
by bed in living room. Nurse

these whom I brought home.
W. Dorothy Fri night - Talked
about their Foundation.
(name put in Banff Info book)
+ the archives + the Library
Asked about Carson Simpson
+ what he did with his books
Intimated to them he might
leave them to their Foundation - Had written but did
not hear from his estate
Catherine looked well, served
tea, Pete very cordial -
Talked of Sunshine which
has big new bldg + ski lift
There 45 min about - then
to club - Dotch walked up
met Kelloggs - Frances Hal
Tommy + David - Are to be
in Miglismalde + Louis

Rest, duck alone, dinner w. Hale et al - Fussed w stoves wrote diary - Kellogg's in car belonging to Anderson Pages - Has canoe on top will leave it for them at Louise - Made some through Yellowstone, Tetons, now to Yorquin on Wednesday to Wales - Gibson Hut, then late to O'Hara - Looked at pictures, 3 rolls, fine of McK. Dennis came up but he was only one - wanted to bring up audience - Patch in room too Tues July 12 Dorothy White phoned & I picked her up at about 11 after getting My laundry at Pearl - We went out Ferm Ave Rd, chased an grebe & Barrows then out old Minnewaska

Rd - took side trips on old roads
to the coal dumps + old ~~ceatch~~
Bankhead sites - She knows so
much about it - says strike in
1922 made CPR decide to close
down - Harry Reber uncle last
one married in chapel - no
sheep at camp grounds - Ate her
picnic lunch in car on side
road near picnic pt on 2 Jack L.
Cars at pt.; sandpiper ex[illegible]
there; no deer - Sandwiches egg
+ beef - peaches in plastic containers
delish - raisin bread - all put up by
Dorothy - plus tea - went through
new 2 Jack campground - in wood
holds some 2-300 people - old
campground called "overflow" c.g.
went to dump - no bears but
bank swallow bank flourishing
Picture. Home by 4 pm - Rest

dressed + went to Ledinghams for dinner at Voyageur - They had shrimp with the guts in my room; had excellent boned chicken -

Wed July 13. went to Louise + got hair done - asked for Joe to do it but the did every thing - used small rollers - found Elizabeth Pearson the hostess + Singer who introduced me to new representation man - He said he would fix me up on Aug 6+7, also Aug 18, 19, 20, 21 (Tom Budnick) Asked for Diverty + Ruth - Mrs. D not here, in Nursing Home - Ate lunch at Snack bar - wrote letter + sent booklet about Can R. to Celia Hunter at Camp Denali - met Eileen Des B on the Canadian due 2:10 + mostly on time - long, long

train & she was in almost last car. Drove up to Chateau where Aylards had just arrived went down to Store & to depot on errands for Eileen then left for Banff about 4 P.M. Harriet & Bob Kring va. arrived from Glacier Hut, long talk w. several others. They were married June 25. and are in Harriets small car, Bob calls it his dowry car & she his child bride; altho she is 28 & he 35. They are to climb Louis tomorrow but the weather is poor -

Thurs. July 14 Beautiful day & Dotch & I decide to go to Sunshine Village - They have built a new hotel there & have two ski tows - .

Sylvia + Gladys Hartley
here but they have a date
with Aileen who is going to
Sunshine with botchists
later - Dotch + I drove in
my car up Louise Road over
Ridge, then Sunshine Rd
branches off by wardens
about 1 mile beyond - Drive
5 miles or so to parking place
under Mt. Bourgeau - Men
working on road and first
part was tarred - Plenty
at parking place + they send
bus down for you - one was
on way + runs at 10:30 AM -
so we had very short wait.
Ski tow runs from 10-11 +
we just made it - Lovely
view - climbed Twin Cairn
Mt. ate lunch at first

Cairns - did not go to 2nd one - Hotel brought lunch of ry-crisp + Sardines Bus driver gave us two coffee cakes; someone had given a whole box from Pops Bakery as a tip! Walked over to 2nd took + down - Tea at Hotel served by pleasant hostess + made 3pm bus out - Bath + rest + to Aileens for dinner - Sylvia Gladys, Cottle + 9, Barbara Hurst - Carol for a short time Barbara + Aileen going to Cassimbouie camp on Sat. Sylvia left early in evening Sod suggested Aileen + Cottle come up + see my Alaskan films - Showed first batch in library to club audience

Harriet, Bob, + Leigh Andrews not in from Lonid when I went to bed + it has rained since 5:30 or so.

Fri July 15th. Bob, Harriet + Leigh came in at 3 a.m quite wet - Harriet slow coming down + rocks slippery. Only Leigh appeared for breakfast - went to Dr. Quigley as fritine was loose - He squeezed it + said it was O.K. Bought a few things - checked accomodations at station - got Sat night + T time + Club for lunch - packed, rested Left light blue suitcase with clo, old dark blue w. camp stuff I don't need + small duffle w. blan-

Hat + coat in it + small
suitcase under bed -
Took big duffle + blue suit-
case to O'Hara; airplane
bag with bottles camera etc
+ projector to try out films
to O'Hara - Left Duluth
about 3:30 - Ha duck at
Mule Shoe Lake, had soft
core at Johnsons Canyon
arrived Lorraine 10 to 8 - Bus
due at 5; Diverty out by
park place - Bus didn't come
till almost 5:30 - Ron the
driver (same as last year)
had met his parents at
Wapta en route to Colonna
+ stopped to visit - Left
bags, panels etc in seat +
parked at Wapta far down
three other cars there

Bus picked Harry Ford up at Gate - About 6 1/2 others on bus - greeted at door by Phyllis - who then went down to meet others - Austin very cordial - Eileen + Aylands here, at table with them 2nd edition of O'Hara History very similar to first - sells for $1.50 - Phyllis running Lodge has same cooks, + Carol keeps at desk - 11 on staff - Hagle not here - Did not sleep too well, Sat July 16. Went to go to Mac Arthur but weather is bad - Aylands had been to cabin yesterday Season late + lots of snow still

we Fords walked around
lake starting by outlet.
few birds - Varied wrens
singing. Saw one ouzel -
Passed by the third we
reached rock slide but we
all had rain gear - I using
Laurie pants (super) Alaska
blue parka (very light) Sorted
pictures in aft. Looked at
them alone in my room in
eve - Yoho Park Supt here
with wife for dinner with
Fords - She comes fr. England
has lived at Hightwood Pass
first years in cabin, has 2
daughters 13 + 3 - Ford then
showed O'Hara film - (he
eats corn) + one on Roger Pass
glacier, avalanche studies
(avalanche picture taken on Bourgeau
Bruno & Quigley took it

Sun. July 17. Steel misting
wrote Sig + Prescotts -
Then walked to meadow
where Eileen left us +
then to Sharlad Lake +
horse trail towards Odaray
+ down first trail to meadow
globe flowers + Chalice cups
out in full bloom in large
patches - Sandpiper at
Shaeffer. Eileen went
down Moore Lake trail.
was at meadow on our
return - Lunch - diary
They have soup or juice,
sandwich or something
dessert for lunch - So
far little cheese - Buffet
last night very good, fine
beef - several salads
Walked part way around Lak

Mon July 18. Beautiful day + cyclists - I went to McArthur Lake - frozen except for part near shore. Eileen went as far Schafer Lake + we took pictures of shalice cup + globe flowers in meadows on horse trail to Odaray - Then on to McArthur - good deal of snow + photographing enticing - Took a number of pictures - Lunch above lake at big rock - others there on other side too - Dian Park, Ruth Woodrow of Van + several others - Pleasant temperature - Dian Peck reported seeing mink or marten near Lake Tahne pika just below summit found nest on cliff near trail on descent - 4 mottled eggs Thought it gray Cr. Rosy Finch

but their eggs we found later were white! Decide it was pipit whose eggs are darker or rather very mottled [It was Solitaire]
A's Reeces feel descent - were too hurt - Kelloggs are here Frannie, Hal, Tommy 13 and Davey 7 yrs.; came in Sunday night - climbed Irwin's y col - besa - down today - Whole gang at Fords for cocktails tonight - I had Phyllis & Austin last night. He said pressure to open O'Hara to private cars comes from local people who want to drive up here to picnic w families - Tired in eve & headachey - To bed early.
Tues. July 19. Doubtful weather - Blue sky in

west - clouds over. opabin -
but it cleared - Birded w.
Eileen + part time with
aylard around lake - In
aft took nap. walked down
front Lake Trail w. Eileen then
in canoe - life jackets but Rg
to find Sandpiper nest on
rocky pt - Is there alright
but 4 eggs look deserted
Did not see or hear bird.
Kellogg (they don't like Scotch)
+ Bride for drinks - Eileen
late but not for drink -
Birth day cake for guest. wrote
diary. Kellogg were up not
Schafer - Dewey has ice as
as big as he is - M. Dwerty +
Bride here - Other family of
children here + Kellogg too
having fine time together

Staff put on sing - Song in Eve but I went to bed + listened - was repeat of last one given a few nights ago -
Wed July 20 Kellogg's (Hal) Tom W. Brian & I as guide started in rain to climb Huber - got almost to gap when thunder + lightning struck - stayed under big tree 35 min + returned Snow low on Huber + Ajabin Cliff - may be slowly clearing good day for photography Diary On aft. I walked around lake + up to 10th lake on Desa trail - ouzel did not fly up falls but think young and only nest + being fed at edge by lake - Filled 2 rolls Pass in eve (2nd showing) of flower pictures by Mr

Foskett, naturalist who lives near Yolo Gate - got stuck on hill coming up + was late. Talk before M. Paul Baker of Van (wife Dorothy) + he brought me some goat's wool - He likes the History.

Thurs. July 21. Cloudy but we ordered lunch + went to Odaray Prospect - Had + Tom climbing Odaray w. Brian + Frannie + Davy came with us - up direct from meadow. Ate in lunch pist below Prospect at old place - Davy played in snowbank - watched climbers - lots of snow on peak + plateau - cornices on peak. They left at 6:30 - up at 11:45 - Rains (Thu + Mon.) he on crutches here + brought me mail

from club. Letter from Eunice says Caroline died July 12 Tues in sleep - Mem service 15th. Pictures - slides of Rockies by Paul Baker very good mostly Excellent one of Ernest + some from Lefroy Summit. Wrote diary + letters to Eunice + Jean Ledingham.

Fri - July 22. Weather still uncertain but it didn't rain all day yesterday + today looks the same. Muriel + I went to look for black capped warbler on slopes this side of eagles nest slope - bushwhacking but no sign of warbler. Saw Townsends solitaire then along top of eagles nest where goats spend some

twice - nice bivouacs - trees
bushes caves protect open
spaces - down to new trail +
back for lunch - Eileen + A
went to Mary's Lake + up Opabin
Cliff trail - after lunch
dozing. Rest - one evening
(Thurs probably) we walked
around the lake w. beautiful
lighting - didn't take camera
that night A. Eileen + I went
to meadow - pictures across
lake there lovely - numerous
tents inc Bob West, wife +
child 5 yrs - AAC members.
Sat July 23 - weather always
doubtful but we 4 took
lunch + ambled to Lake Oesa
Several parties there, one with
small dog - ate at top by Sign
then down to lake where we

also saw magnificent audubon warbler.
Found lots of rosy finches - two pipits + one ouzel - Saw one finch fly high up to cliffs on Yukness. Home a bit tired for tea pm we had wandered around cliffs + old trail too. To Kellogg Cabin 13 on hill for a drink. Buffet dinner - v. delish roast beef + 4 salads incl bean wh. was delish - fruit for dessert - In eve. went to Fords pm party - Bakers, Kellogg Fieldings, Hardings, Liverty + Ruth - Hanback in "Bingo" hat + red night shirt - Home at 10 but slept poorly - The Kelloggs, Hal + Tom climbed Huber as Vic had too much snow - Hal wants to do Hungabee but also too much snow. will com-

promise by doing "Grassi Ridge (S.W) on Wednesday. (but grassi never climbed it but "it goes up from his cabin".

Sun July 24 Photoed Hal, Tom + Brian on wharf by rangers cabin - the first two repeate w. tin hats for rangers. Also Frankie + Davy who went part way. Then we four down to meadow by road - Dave + came back - Ruth + Margaret off on horses for Linda Lake - with guide Gordon - They went to McArthur yesterday - wrote diary on return - Aileen saw black animal cross road - marten probably - walked around lake in aft + met bus for Kingmere

family 11 strong - have one cabin on hill + 3 on lake. #5, 6, + 7. one girl has guitar Sing song at 9:30 but I went upstairs before - Tremendous storm in night - Hail at Supper + Dairy Kellogg en-. tertained - Hail, thunder + lightning at 5 am + kept it up Mon. July 25 - Rain + hail - Hal Tomfry + Brian were to have gone over Abbot Pass; Jeanne Davy, Eileen + I were to have gone out on bus + over Roger Pass to glacier + return but its all off - Kelloggs left on bus, Brian to drive them to Calgary + to see Sound of Music - Rain most of am. except for few periods - walk about lake - after lunch

around lake w. aylmers but it poured + they came back. 9, well protected w. Laurie pants + Alaska jacket Kept on. 10 kinds of birds feeding by lake. 1) Hermit thrushes 2.) robin 3 Solitaires pr. 4) junco 5) wh. crowned Sp. 6.) gr. Cr. Rosy finch 7.) wren 8.) audubon 9. Sandpipers (3 or 4) + mama + 3 babies 10) 3 or 4 owls. Tea w. girls - Letter from Syd V. - also Dave M. Wrote diary before supper - In eve. Austin had kids sing - sang slow + then two movies - 1) Can R. 5 Ri centers 2.) Rogers Pass - went to bed during last -

Tues July 26. Barometer up a bit but it rained a bit at dawn - To opabin ~~Pass~~ Pass no. Eileen + aylands - up horse

trail - down Many Lake Tr.
did grassies circle around
Barrows G. E + 7 ducklings
on opabin Lake - mother duck
flew out of valley - Some one
said there were 3 ducklings
on O'Hara yesterday - Had fire
in protected spot w. tiny pool
of water nearby for lunch - Saw
several marmots - a few gophers.
usual birds - young robins - but
not singing much - No sand-
piper nest on big rock. Tea-
Kingmans went to Wiwaxy +
oesa - Heine going back over
Wiwaxy col with Some who
had only gone to oesa - went
over material for Alaska pictures
as I offered to show them to.
night. Show seemed to go off
pretty well - so people said.

Wed July 27. Eileen + the cayuses left on the 9 am bus to go back to the clubhouse - I to Lake McArthur with Henry + Jo Hungman The rest of the family went to Odaray Plateau - Thought they'd do grand view but didn't know route + just came over high trail to McA. Pass - all at Lake together - One goat on cliff - Jo ate up on hill side but most of others nearer lake by big rock - I went to outlet afterwards - no sign of bubbling water down past lake looking for ducks ptarmigan etc - nothing - Stopped at birds nest in crevice + saw pr Solitaires there - ~~Heine~~ Hungman troops passed but Heine + Marilyn stopped - ~~Spotted~~ 8 goats on left end of Odaray

then 2 nannies + 2 kids to right 2 people - learned later Mr + Mrs. Fielding - seemed to be almost on top of them - all on sky line - H + M + 9 joined by the two boys walked down together - Lemonade at Schaffer Lake + stop at Boy Scout camp to see the two baby pikas they were reported to have - but they escaped at night + one was found dead. Keith Woolley took their picture yesterday - To Ruth's for drink in cabin 3 - Phyllis there - Ford's car ran down street + rammed fence - has been in Calgary getting it fixed all week - Sat with a Mrs. Slesis, a Finn, living in Toronto biology lab worker for dinner

Thurs. July 28. Asked Miss Stauffer & Miss Forbes who are best interested in birds to go to Yakuess Terrace Pool. Nikquaus going to opabin, young group doing Yakuess. Miss Stauffer afraid of heights & turned back - I made a false start up cliffs too soon - should go up from big lake bee. opabin Lake. Miss Forbes o.k - low shoes & no stick - Cloudy but some sun - ate at lake - no goats Down by 2:15 & found Miss Stouffer who was dressed in red, waiting for us - Miss F. photoed 2 nice marmots - Down slowly & to tea about 4 P.M. Henry & Jo Mc drunk Edward Terry arrived after

he was not expected as he had chest cold & didn't come yesterday - Has to be in tent but it has stove in it - great reminiscing at table I sat with Phyllis Ford & later joined Kinmans - wrote diary after supper. Letter from Annette says John has been in Hosp. (urinal) for 12 days - had his appendix out.

Fri. July 29. went with Kinmans & Edw to Yukus Ledge - just Jr. Kis & Helen & Rip west & Woodward went. Edw. went across snow bridge at waterfall kept further up than the calves & boys - brought us down a tricky pitch & down a chimney or

two. Ate lunch on opabin trail - then up to crossing at water fall where 9 & I left these to go to bridges above - met them at start of many Lake descent. Home for tea - Lodge is full + then some. Slipped on steps to lake after supper + also sprained ankle sat down on step instead. hurts a little (OK next day almost) walked a bit w. Helen West along Lake - Two Davids fishing - also trap Chipmonks with bureau drawer but can't get them after that - Edw + 9 last to leave lodge lobby + to bed. about 10:30 pm. Edw seems fine - stiff more than tired.

Sat. July 30. Rest day pr me - washed socks - went out in boat to check Sand pipers nest - no eggs. no chicks not destroyed - What happened? Did they hatch? Aileen + Dennis appeared on shore - beeped me pull up boat. They waited for special bus with 15+ of Aileen's naturalists aboard - had ordered 17 lunches from Lodge - Kingmans off late for Opabin Pass - Seniors to go to Op. Lake only. Their lunches delayed - not off till 10 am Aileen + Dennis off to Oesa w. most active naturalists. I after lunch took 3 others around lake - Saw 5

ouzels at foot of falls -
Fritz Wiessner Jr + a girl
came up on bus - lunched
here + then to Abbots Pass -
hope to do traverse - Aileen
back for tea, stayed over
night - To Heinzmans on
hill for drinks + sit at
their table - buffet dinner
walk at lake + then to
meadow in eve - Dave
Young, Mr + Mrs. MacArthur
+ 9 year old girl camped
in meadow but ate here
Sun July 31 - Austin brought
17 fishermen in at 5 am.
Aileen, Dave Young + MacA's
left on 9 bus. Heinzmans
Edw + I off to morning glory
lakes with lunch + walking
for tea - wrote diary at 9:15

went by grassi's trail - ate
at foot by stream - over to
morning glory L. afterwards
David Edigman climbed up
on ledge above ~~to~~ snowbank
scaring Henry Sr - Girls read
paper backs, Woody History of
World before world wars - Some
back by trail we came - Edw.
+ 9 + most younger generation
up Linds trail to Prospect.
But I ambled home above fr.
juncture of trail - Saw not.
Chickadees + a female pine
grosbeak - - met girl below
meadow who works at Twin
Falls - Said Fran only comes
weekends, keeping her job in
Calgary - Park Dept has built
2 bridges above place where
creeks divide - Last years

fiasco still below falls but
water covers it - 2 buses go
out - Woodward Kingsmen
also to go to Calgary + fly to-
morrow - Drinks at #12 with
Kingsmen - met bus for Aubrey
Watyek, Winstons, Don Reese
Shauna Wheeler + Adelaide
Seeling - Sitting with them
at table - Kingsmen next to
us - They are to go to Abbot
Pass Hut tomorrow - Short walk
after dinner w. Winstons, Adelaide
+ Shauna - Drinks at No 3
Aubrey's cabin but I abstained.
Seig + song by staff - I went to
room, put dots on all slides
wrote diary 10:55 PM bed.
Mon. Aug 1. To McArthur with
Watyek party. Lovely day
Then to upper Odaray Trail

to Prospect - Down slowly with Ron Reese - Sheila + her 7 yr. old Monica did same trip. asked me about trails - Drinks with octopus! only tasted of sauce - no like really - Ning. Man men + 2 boys at Abbot Hut over night - others went to Prospect - Tommy Link arrived early in car not bus. had 3 operations this winter last March 9 - Dominoes w. Aubrey, then A. + Bruce - Accident on Hubert - Man climbing w. Sid Marty asst warden, fell 300 yds - soft snow stopped him after several bounces. badly cut knee but got to trail gap - Sid carried him part way + stretcher with wheel the rest - We saw

light on Lowaxy trail at 9:30.
Didn't sleep too well till late
Phyllis Ford has put cord tiebacks
on her new red curtains in
the rooms, makes them much
lighter.
Tues Aug 2. My knees ache
rest - walked around lake
birding - photoed owyels & heard
one sing - few birds - wrote Carl
Frank. Eleanor died May 9 - wrote
Meribah - asked about Chevelle
car as I may get one. Lunched
with Henry & Jo. K. Abbot Pass party
phoned from Louise & Jo went
down in Ford car to meet them
Had fine time - Edward joined me
at tea & told me all about it - David
West very good - Pass in fine con-
dition; crevasses filled by aval-
anche snow - Frank went on via

side where it is steeper. Edw
came down on Lepori side
took about 3 hrs to chateau
Kitty K. went to Abbot Hut with
Bill young (dish washer!) others
to McArthur - waiters went
over Yukners ledges led by Bruce
took oysters down in canapes -
Read Time + Seattle magazine
about Berkey + others climb
of Mt. Seattle for King - TV. wrote
diary in room + packed a bit
Letter from Leedoms arriving
Aug 8 or 9 to stay till Fri or Sat.
Wed Aug 3 went with waiter
crowd to Odaray meadows
when Adelaide + I went to Pros-
pect + others up Grand View
Ate lunch in shade - mosquitoes
bad - Rain + returned to Lodge
early - Bath + tea - goats +

Climbers on Odaray - Drinks at Duignans Lake view cabin Talked of aeroplane trips. Packed + dinky + pd. bill. Mrs. Tookett here again with pictures - mostly flowers; 9 looked from upstairs
Thurs. Aug 4. Left on 9 am bus with Duignan family (10) 10 of them - Woody having left Sun. days ago - They waited till my car started (3rd time) + took pictures of bus - Then to chateau, met Jane + Harry + took them to station to see Harry - Heine checking bags Then drove Jo to Sedan left with suitcases - others waited Back to chateau, got hair appt cancelled Sat + Sun res. Drove W. Jane + Harry to

lunch at Moraine (met Bill Smythe at foot of stairs) after hair done, at 3:30 to Banff arriving about 5 PM Tried Aylands & Eileen in living room at club - To Aileens for dinner - Two friends of hers in late whom she fed They used to teach at School. Lots of quick heavy showers today & in eve.

Friday Aug 5 Errands - met girls who had waded down. After lunch drove us. Eileen to look for red necked grebes nest - grasses have grown up Two grebes - maybe a baby too or late - also Barrows Nap - Vallances for drink & dinner - To show Corne North, come Home at end.

w. Vallances - Seats on 1st & 2nd rows - good - woman leader - Aileen there w. friends Cameron right behind us. To club late - about 11:15 Assiu camp seems to have been very happy one - 175 there. Assiu climbed Sentinel Aileen walked out to Sunshine to meet her English botanist friends

Sat. Aug 6. Rain - Drove to Bow Lakes for lunch taking 2 cyclists Eileen & Jean L - Mr & Mrs S. sitting together on chairs in front Nice lunch - Soup & hamburger - Bought 3 goose pins & Twine - Rain & sun alternate - Eileen left on Camp after 6 pm - so left her

lunch at Moraine (met Bill Smythe at foot of stairs) after hair done, at 3:30 to Banff arriving about 5 PM Tried Aylands & Eileen in living room at club - To Aileens for dinner - Two friends of hers in later whom she fed They used to teach at School. Lots of quick heavy showers today & in eve.

Friday Aug 5 Errands - met girls who had walked down. After lunch drove us. Eileen to look for red necked grebes nest - grasses have grown up Two grebes - maybe a baby too or late - also Barrows Yap - Vallances for drink & dinner - To show Corie North, come Home at end.

w. Vallances - Seats on 1st & 2nd rows - good - woman leader - Aileen then w. friend Cameron right behind her. To club late - about 11:15 Assiu camp seems to have been very happy one - 175 - there. Assiu climbed sec tree. Aileen walked out to Sunshine to meet her English botanist friends.

Sat. Aug 6. Rain - Drove to Bow Lakes for lunch taking 2 aylmers Eileen & Jean L - Mr & Mrs S. sitting together on chairs in front. Nice lunch - Soup & hamburger - Bought 3 goose pins & Twine - Rain & sun alternate - Eileen left on Can. after 6 pm - So left her

at Station - Geo. Wallis on train too - Bruce + Mary Winston probably got on at Louise - Read Time in eve

Sun Aug. 7. Good day - Aileen appeared at breakfast after seeing her friends Mr + Mrs. Joyce off - Went birding in swamps and beaver dams back of Johnson Lake - Did we see Bairds sparrow? Had ochre stripe on head - no wing bars - Also saw common red cross bills but couldnt see the crossed bills - Club for lunch - John Linn plucked - Phyllis hadnt turned up. She has a new car - Jolde thought she might be here.

Arnold Brigden was driven to Louise - He had been taken sick at his camp on Wonder Pass - had no good porter Campbell got him taken out last Sunday by helicopter - was in hospital wasn't eating - has been at Club several days - eats yogurt w. brown crystal sugar at tea time - Norene not out here - not too well. Ski-meet I thot of going to was last Sunday - Mary. & Bob Hind were here one eve - were taking boys from Camp Hector (y.m.c.a. near Morley?) on climbing expedition -

Mon. Aug 8. Went alone

to Johnson Lake + Swamp
no cars parked + no fisher-
men till later - got good
list - Club for Lunch -
Teedons arrived early
afternoon - all five - went
at Two Jack Lake camp-
ground last night. Boys
walked to Lake Minnewanka
+ all went to
nature talk - Put them
up here as my guests
in Edith + Bap in Lewis
with car. George is 6'3"
Then to Tunnel Mt in
my car - Walked up - boys
rode to climb + go up
short cuts - Storm threatens
but didn't materialize
very windy on top. Showed
them Aileen's Edelweiss

To Club for rest + dinner
Then drove them to Vern
Lakes Rd for picture of Rundle
no moose, up Norquay -
past campground to
Hoodoos - & view of hotel.
Tuesday Aug 9. Dick drove
us all to Louise, seeing
goats & piloting Eisenhower
en route - walked along
Lake front - Old man with
binoculars at gate - all
looked through them - then
toured hotel. Lu & boys
bought pictures of V. of 10 Pks
& Edith Cavell - Then to
Moraine Lake, climbed
rock pile for pictures &
then to Lake L. ate Club
lunches at Edwards camp
site - moose on flat

eventually scared away by photographers - Built fire in old stove - cold + a bit windy - Boys went on to second slope upvalley + Lu, Dick + I to Lodge for tea + sweet buns - Back to club - viewing moose in Vern L. cleared by two canoes - Ricky drove both ways - In town in eve to see buffalo + to Minnewanka to see sheep - neither there - one man went around buffalo park five times!! Lil stopped at Safeway, went in to see coin laundry. It was jammed -

Wed Aug 10. Boys went to folk song affair down-town last night - seemed to like it. Errands this am. Jr + Dick to laundry I got mine at Pearl - also ski pants then cleaned - Packed for departure to-morrow for O'Hara - Took Leedoms to tour hotel, then to falls + golf course - g. m. gr. Squirrel in pipe by Heritage! Ate picnic lunch by old fish hatchery picnic ground, provided by Leedoms - bologna + cuke sandwiches, grape drink cookies - Rained a bit. Then drove to Sundance Canyon, then to buffalo gate + to Johnson Canyon

Egg on nest but no bird. Must have been killed or deserted - Soft core on return - Did a lone - 4 goats on ridge - Two sheep on road, going west Drink in my room with Lu + Dick - she took Scotch he sherry - after dinner went to see Indian Encampment - Indian day having been postponed till now - lots of tepees 50¢ entrance fee. Then to Buffalo park were in trees + hoped to see - may have been sick + Then to club - parked + wrote up diary Boys went to dance at Norquay with Jerry +

three of the staff girls.
Thurs- Aug 11 Lee, the boys
+ I went up the gondola
lift - fair views but very
cold + windy on top - ice
on the walk around the
bldg - Stop at club + then
met Dick at admin gate
He has sharp whistle so can
locate - met George + Anne
Vance here visiting Pearl.
She was helping new judge
for Indians - Took some
pictures - Leedoms left soon
+ I returned to club for
lunch - Packed, had mail
left for Louise about 3:45
Left bags for Rod who had
to service bus. Looked around
Deer Lodge - not long to wait
at wapta - Loads of cars

parked there as two groups of campers from Portland & Mass are at meadows. Ron Reese met me at bus took my fish rod, ice ax & airline bag to No 3 & I went direct to cabin 3. Labbys there (Adelaides daughter) Margaret & Dan, Adelaide & Reese Shanna Wheeler - got cordial welcome - sit with them as usual. Dominoes in eve.

Fri. Aug 12 Aubrey has bad cut on leg wh. doesn't heal so he only walks on level. He & I walked around Lake then I went to meadows & back by Mary Lake trail - others went to Ocean & Iverway golf. Fiore & Harry here, asked us all there tonight - 9

took oysters on Ritz crackers. Dominoes in eve.

Sat Aug 13. greens left on A.M. bus to go to club, Calgary + Winnipeg - to be at Club Aug 19-22 - Watyek party to go on 4 pm bus. must be out of cabins by 12 noon - Mabel talk about Sheila Dunber + Monica; here for two weeks but now in tent - She will leave tomorrow for Colonna Van + Howe sold a few pictures - we played dominoes in afp in Lodge - Crowd off on bus - Canadian on time Fine buffet supper - Am at table alone by window next to Tommys - Margit Michele here. Dr. Tank.

Gardiner family - + others.
Every one parked out of
meadow - weather bad.
Bus strike of drivers hits
tours badly - Rod drives
OK - also Harry but Brewsta
needs him to keep essential
routes moving.
Sun Aug 14 Went around
late ambling - met Tommy
+ proceeded together - note
here on return Aileen Potch
+ Dennis + Dr. Dick Botson;
came in - are at cabin
met Dennis en route to
register for Schaffer - so re-
turned to Lodge via Mary L.
Saw goat on grass below
Schaffer cliffs - He traveled
on contours to opabin Cliff
trail near top. Met girl

looking for crystal cave
Back to Lodge & delish
turkey dinner - went to
alpine cabin later - all
four eating dinner of steak
Had no paper, one candle.
Aileen walked back with
me for old newspapers -
Some non-hikers here in-
terested in birds trying
to see Solitaire - Read in
eve catching up on news.
Mon. Aug 25. Ambled over
to cabin - Crowd going to
Wilderness - walked by
Mary Lake trail + old trail
to alpine camp site - Then
up over mesa trail to old
trail past camp site by
fish lake - went to Pan's
glen + nymph's pool. Had

fire for lunch, explored Cliffs around it afterwards - Saw Tommy on trail returning home, he had come to help me find Paris glen. Did not have lunch - Met Gardiner + their pals 13 strong en route from Wyvaly gap to Cheekless Ledges - I watched them limit trail. Met Emily + Charley Smyth from Princeton on trail. Were at Assiniboine when I was there with Lintons + Macs. Here mother + companion Miss(?) Morgan(?) Are - all just for day. Spoke to two latter ones on lake trail - Anne + Geo Vaux here too - had tea with

them - no bus on account Rod's ankle so he went to Calgary - Austin makes do with station wagon Rest. bath. drink aboda thinking Phyllis might come up - Read in Bible & answered questions! no word from Aileen + Rotch

Tues Aug 16. Not very good weather - ambled over to meadow stopping at wardens to ask if 2 girls + 3 men going up Huber were Aileen et al. Found Aileen (with poor knee) + Rotch (feet poorly yesterday) sawing wood - Aileen Sharpe from Seattle who used to live in Cleveland + knows Polly there + Dennis. Phil Sharpe, Dick Butson + 2 others went on Huber.

Mt was in cloud lots of day but they got home at 3:30. Aftn lunch in Lodge. I went with Aileen H. Aileen S. + Rotch up opabin cliff trail + then to the lakes on the cliff - Storm on way up + we crouched in a cave. Goat tracks at top. Angled back over cliff, with lots of time out for flowers views etc - Storm caught us just below flat rock lake. + we crossed back to cliff trail + home - Rained hard most of way - We had met Dr. Gardiner + wife on trail Liz Remmels doctor + Aileen knows him - was toastmaster at Hans Gruners wedding Dr. + Mrs. MacKenzie are here w. people named Read +

young boy - In lodge in eve & Mr. Abbott & wife showed pictures - mostly flowers. His sister likes birds & was thrilled at harlequin ducks, solitaires etc.

Wed Aug 17. Beautiful cloudless day - went to meadow & Aileen, Ratch, Aileen Sharpe & Dennis & I went to Schaffer Lake, joined by Mr & Mrs Abbott - Aileen, Ratch & Dennis to McArthur Pass & high trail Aileen Sharpe & I back to Schaffer Lake & trail to Oddesy - meadows with lots of snow beds - some pictures - fleabane & paint brush seasons - arnica good in spots - Found mixed flock of birds 1. Boreal chickadees

2. Mt. chickadees 3. brown creeper 4. And warblers 5 Tounsend warbler 6. juncos 7. Ruby Cr. Knights - met others on Plateau - watched 4 climbers on Odaray - Phil Shaupe Dick Button + 2 novice boys very slow progress - ate by big rock out of wind - Nils glacé + beautiful Pictures Aileen photoed both gentians Down through meddows to trail - met Glen Brook on trail with double ax. Irene + 2 boys camped in meadow - Tea at cabin made by Aileen H. mostly Rhoda there - arm in sling another woman - Berder - family passed by - ate outside on benches.

Back to Lodge with Brookes to see Tommy Link who was out - I had a mouthful cup of tea + some cake - Saw Girls + Dennis off on crowded bus. Muriel Gratty also here with Mrs. Boyde + others - but they were fishing at Leida + were to be picked up there - Dick Britton made bus leaving others on rt. Phil Sharpe + 2 novices coming down slowly - Bath rest + wrote diary + bird records - Ranger Foskett here - Sat upstairs + went in to finish packing early.

Thurs. May 18. Left on 9am bus - Sharpes also leave + Abbotts - Janet Harrison has day off - I got to Chateau

more than ½ hr. before bus
checked in but record 568
not ready - put bags in
check room after getting
hiking boots rented & ate
out. Off for Lake Agnes for
lunch - met Janet on trail
& we went together - Suggested
Big & Little Beehives to her
but she preferred to stay
with me apparently. Also
met couple looking for water
ouzel - had seen Lake other
birds she was looking for.
Janet & I suggested O'Hara.
Walked to end of lake -
Nature Trail very nice - many
tame g.m. gr. Sq., Chipmunks
Clarks & jays. peanut shells
all over. 4 g.ms ate raisins
from my fingers - Janet

took pictures - one man on trail wanted to take my picture to show his mother in law hiking was not dangerous. "an old lady can do it" "I didnt say that" he answered. nice lunch wh. Janet enjoyed espec cheesepie + biscuits + honey very good - Irene has had tremendous season - The bus strike has keeped her. The people couldnt come - no where else to go. Threatening weather all day but little rain + not when we were inside tea house Back to chateau where I left Janet to her own devices - got bags - got settled, feet happy. Maitre d' (a girl) phoned + I got table at 7:15. Delish fried chicken - tender - bs. sprouts

beets, choc. sundae - all very good - O'Hara meats tough hard on my teeth. Read Time + listened to concert Sec. tours in. - Elyabeth sang beautifully - Wanderer Serg still - Sang "climb ebery mountain" for me - Read + did jobs in room till 11:15 Slept well - Ketch has arranged with John for us three to go to golden tomorrow Fri Aug 19. Sent Sig a check for home money as she was to go to Weymouthwood on 16th Good blueberries for breakfast - Sent laundry - wrote diary - cloudy day. John phoned twice to ask about trip to golden. Edward up in Sand V. with friends.

Rotch arrived eventually John phoned Martha + we were off in Johns car. He drives well but scuddes + talks most of time - went to Edw., after visit went to Elise's + took both ladies to lunch at goldens Jun- pretty good - Rotch + John had fried oysters wh they said were delicious - Gertie was ill + in bed - gets headaches. Then to Walter's where we passed on the way up to the house - Discussion as to who was with Hannah - I thot she was called "Honey" Walked around house, garden, house below where Walter was working. Left + met them on road + returned. Long visit with

tea. Hannah a bit trembly; hope she is OK. Walter fine. Talked of O'Hara, Link, Simpson. Left about 4:20 - Stopped at Elise's, seeing large garden house & nice pictures etc. She wants now to stay there - Daughter Alice lives in little house next store - Elise has 2 little bedrooms & one large guest room Invited me to stay there any time - Kissed me goodbye is a bit weepy - has stuffed owl in corner of room - Then left Martha at her home to go to P.O in civic centre about two blocks away - Gertie has little collie dog. Then to Louise - John parks car on hill back of power house. Dotch & I rested in my

room, had drink + dinner in room - soup - Chicken + she fruit salad - They sent us lots of crackers + melba toast Then I went to concert, she sneaked out back door - Elly sang well + I went to bed right away - a bit weary -

Sat Aug 20 Sic ridge perfectly clear - where to go? Then Anne phoned + I will meet her, Harry, Margit + Dotch at Info. place at Louise - wrote diary - John phoned - might join us - got turkey sand. at Snack-bar - kept honey + roll from breakfast - went to Info at 10:30 but had to park car at Boyle's serv. sta. Dotch came in her rented Chevy Biscayne could hold seven easily

Parked at water fowl Camp gr. found bridge short walk above + up trail ½ hr. Turned right at dead end to Chepleron Lake - 1½ hrs more - met couple who had just come from Chepleron. Then heard a shout + there was John stripped to waist he shot me where meeting at info desk at Chateau found my car gone, could not find it anywhere. but came anyway. Lovely lake - logs + stones on shore - swarms of small flies - gnats - in woods - Jean built fire; Dotch had Suros cooked. We had tea - Left at 3:30 pm. Dotch + John talking about going

direct to Cirque Lake - Red
try trail near Lake - We
met sev. parties coming
up from camp ground - One
with a car! Another with a
dog, one geologist who was
crippled in face + hands
who had grappled with a
grizzly but his injuries
were both from an aire-
plane accident - John left
us at C.G + returned to Chateau
We to Bow Lakes - all 4 Simp-
sons there + Emily + Charley
Smythe with his mother Mrs
Yelin ? + Mrs Morgan. Good
dinner of trout Back to car
+ Chateau just as John +
Elizabeth came down for
concert. Read mail, bath
+ diary -

Sun Aug 21. another beautiful day. Dressed in skirt, walked up to old water tank site - now a bldg there - Saw bl. cap. warbler, heard g. cr. Kinglet. Sat on chair on lawn & watched Jap family putting - later saw them w. grandma who was in Jap(?) dress - in dining room. Talked w. John after church service & didn't know whether he was going in to O'Hara or not - but he did - The singer name ? was there & she will give concert - Rest after lunch in dining room then to Banff. no goats, no duck on mule shoe L. Sta. agent has my reservations for Sept 2 - hope I am home

before threatened strike. To
Club - Aylards have sent me
sugared apricots - also package
for Aileen H. She + Robin off
tomorrow for Pinto Lake.
Drinks in greens cabin, Edith
w. Perrine family who had
ginger ale - Mine at big table.
Boys very well behaved, +
talk well + interested -
Peter likes climbing, martini
feels knights, schedrik informs
us - Easy summer on ac-
cidents - Two girls in shorts
stuck on ledge on Sulphur - was
amusing rescue so Walter says
In upstairs room after dinner
Boys played with Lego blocks.
very dark at Lorida turns
on way home - at 10 or after

Mon Aug 22 Tioga + Harry to meet me at Info. office on Trans-Can. + go to Chepleron Lake - Rotch brought them in Drive-Wiley - Margit with them. John Linn planned but I didn't think he'd come - we parked at waterfowl camp. go. walked over bridge - about ½ hour on right turn leads to Chepleron - Cirque Lake to left met couple on Chepleron trail. He had scared face + hands. Said he had had a tiresole with a grizzly but injuries were due to bad airplane accident. Ashort was head + there was John. Had looked for me at Info. Desk at Chateau - Said my car was gone - Followed us + met couple we had seen on trail -

at 10:30

I had heard a crackle in the woods + saw cow moose there. Chefuroe Lake shore - stoney with lots of dead wood - Fire Cider fire, Rotch had swiss stove - Had tea - John ate ½ my turkey Sand + ½ of Jones or Rotch's. Had fruit Lunisey he said later. Discussion about mountains but Rotch only had map - too large scale - Think we left about 3:30 Did it take us 2 hrs in? 1½ out? John left us at Camp. gr. Harry Fire, Rotch + I + Nikapit had very good trout dinner at Bow Lakes. Saw all four Smiths, + Emily Smyth + Co party there (4 of them) at next table.

Mon Aug 23. Met Harry + Jane at Boyle Serv. Sta when she parked car - Then to drove them to Emerald Lake for trip to Hamilton Lake - Beautiful day - Stop at Wapta + met Phyllis Ford - Margit had not signed 5 travellers checks + John (at O'Hara for concert) said Margt would be with us - She didn't come as she leaves tomorrow by bus for home) Harry took the checks - Parked at Emerald + found trail by going first to Corral - ½ hour to Falls + then a long pull to Lake - Ate lunch about 2 pm at viewpt over Emerald + then to Lake at 3:30 pm - Left at 4:30 - To Car at 6:30 Times from memory 4 days later

Think it took us 4 hours up & 2 down - Time from 3:30-4:30 lovely spot - fine view of goodsirs Sour smoke down valley & huge cumulus cloud rising - Pictures. Drink from Fixes thermos & to Post hotel for trout dinner (comes fr. Calgary but is very good) Had to wait even at 7:40 pm - quite busy - Parted afterwards & returned to chateau Greens leave Tomorrow for home to stop in golden en route. Came in middle of concert so sat by door till it was over Then a bath & bed -

Tues Aug 24 went with John to Hoodoo Camp ground - Historic Site is typical wooden cabin - picture - Nature trail goes over stream & little

steps lead over tiny hillock we took trail to Hoodoos - through woods, past sign to right to the historic spot Kept straight ahead, came out on stream with dam + bridge + sign "Hoodoos 1½ miles." Is near campsite 7 on outer drive we found later walk thru woods there is shady, level + pleasant. From bridge it was steep hot + long. Goes up by stream in canyon far below. Took us 2 hrs I guess in all Lunch just below hoodoos which dwarf Banff's - nice fast stream - 2 parties there one with dog - ate by stream Pictures. I climbed up one steep trail for a closer shot

Boy in blue shorts + sneakers climbing around on bad banks Picture - Down to car - Forest fire smoke billowing up + looked very near Camp-site. Drove down to rangers place - He was there + off to the fire Said we couldn't drive further. Home about 5 or after - Had good roast beef for dinner table by big window - good service - Dave reserved table at 7:15 pm - met Howard Watkins who runs trail ride also Mr. Barbaro (?) who rides with Bud Brewster - John goes along - going to Norbarch Ridge tomorrow -

Wed Aug 25 - Aileen phoned + is taking me to Lake below Mt. Temple - Came to my room.

Muriel Oyland sent us both a package of candied apricots - got an egg salad at the snack bar & off on Moraine Lake road - Parked 1½(?) miles beyond Paradise Creek at next stream - hard to see so look hard - no bridge Hot sunny day - Angled up valley within bound of stream Crossed moraine Lake trail & up to big boulder slide - easy brush & boulder wharking Charming valley - Lovely mountain stream - Ate at lake - look up at Temple ridges & gullies - where did Hundreds go up? where were 2 boys stuck? No goats or more but there should have been Skeeters & horse flies - waded

after lunch - Aileen climbed up rocky slope looking for flowers - Probably other one ridge would go to Lake Annette Down grassy valley - many holes - Is grass over rock slide probably - Down west side of creek - Open most of way - came out on moraine trail, crossed stream on broken bridge + down proper right bank about 1 mile and came up. Had marked spot by spruce board on big rock - Back to chateau Aileen's car parked way up above parking place is plan - To Chateau, bath rest + dinner Talk w. Watkins about Rides met his wife - they have 3 boys 7, 13-17 about - She doesn't ride or bike - needs more restful vacation

He thinks Trail Rides is most wonderful org - gets people out into woods + are very grateful - works hard for it - is retired oil man I think. Tea latter w. John at Snack bar - Vera of Wilson's Shop, there. I worried about stride threat + what I'd do about car + didn't sleep well. John brought up boy - Peter Freeman who wants to buy my car - I don't know of course

Thurs. Aug 25 went to Wapta Falls with John. He took his car - drives well but fast - Parking place on road below Hoodoo Campground + fire road leads to it + very hot + sunny. Hunted trail - swamp to left

Some strawberries we John kept finding - I couldn't see them. 3 miles by sign - took us 1½ about. Pictures - ate lunch at spot below falls odd formation of rock in front of falls - Dust rose on hillside opp. But across river (Wickiup House?) must be road there - felt a little nervous about the forest fire Dust disappeared & then re-appeared in long stream - Must look at maps - all at Clubhouse - Back to car only steep place is down to falls & back where switch-back is very long - To chateau about 5 or after - Bankers had party in Louise Cocktail Lounge! John went to it

in his shorts - Thus at
near 7 pm - phoned + invited
me - had one drink - met
Bauder , Wayne Hicks
+ other bell boys. chef + wife
wms + wife who teases John
Irene Stanfield, Vera + many
others - To dinner a bit late
Hostess thine is Bob Sims
sister - She was one who
phoned about a hat left there
Concert as usual - then up early
Friday 26. Raining + good
thing - thought at first
it might be just shucks
Phoned Beauty Shop + John
answered! Had hair done
at 9:15 - 10:30 - Joe works fast.
Phoned Vacations but they
weren't in - wrote diary.
Drove to Banff - got car!

greased + oil change (needed more) Lunch at Smitty's pancake House alone - Then had talk w. Hubert Green about new car - gave me estimate based on 1966 prices in new Chevelle - Meribah wrote of hers. Will turn ~~corona~~ in when Leave RR. strike is on at 12 noon + my reservations on Fri 9/2 may not pan out - got lots of mail at Club - Johns will meet me at Pooli - went to Rodeo at Parade grounds - guess it was postponed from Indian Days. Small graded stand + Clarence Beal was only person I recognized - lots of children. Stayed about an hour Then to Chateau - Table at window + good dinner except peaches - Concert + read - Bedd up -

stairs - John + Barbara off to Porcupine Pass tomorrow -
Sat Aug 27. Pouring rain - was leisurely but found myself parked by 10:30 - Hotel quite uncrowded since stride no line at dinner last night no one at snack bar at lunch - filled up more by 1 pm Read about stride + after lunch, paid bill + pheffed out - Grier Saunders saw my name on bags + stopped me - here with wife + 3 children 1 girl + 2 boys - one David - Had been in Glacier Park, Radium last night - disappointed at rain - on to Calgary tonight + fly home Monday. Paper says all flights + buses are booked - Laurie Saunders

broke pelvis + has pin in it. Feel bit break was not discovered at first X ray - is at Cape To club + settled in - few people here - Tea - reb. wrote diary. Im due west to see Vallances. Doris looks lots better - at Club Mr + Mrs. Gibbon (Eng fr. Calgary, he a chartered accountant) Mr + Mrs John McKay (Betty) he keeped Ford w. telephone 2 yrs ago. She interested in crafts, does weaving etc - Looked at pictures upstairs + Mrs. Turck came up + I showed reel again

Sunday 28. Clearing - windy

talked to girl who climbed Victoria with Fritz Wiesner Wendy Tiechmann from Montreal, driving back alone was born + has family in Van

Teaches in Montreal - languages (or linguistics) ~~Copie~~ She left for Montreal alone in her V.W. B copied 1966 bird records in blank loose leaf book - now quite fat. Lunch quite good but too much - Finished records after lunch Then started sorting bellbirds when Ken, May + Deidre Boucher knocked - Visit with them in lounge - Turkey dinner - Hans Gmoser, Margaret his bride + a T.V. producer Mr ~~Caldwell~~ Knowles (C.) ~~&~~ were there - much talk of T.V. pleasant + interesting - Hans to go east to do T.V. show. "Diary of a skier" is working title Joan Shannon who teaches near White horse + Stan , were at Bugaboo school - Learn what it feels like to drop down

crevasse + to hold one falling
one man got slight concussion
+ didn't know where he was.
Not serious.

Mon Aug 29. Did lots of sorting
+ packing so as to be ready
to leave Friday Sept 2
Not much chance of strike
being settled soon - will
wait + see - Ralph, Aileen
H. + Sylvia off to look for
Mt. Harmon up Frances
Creek in Bugaboo area.
May come back tonight
or tomorrow - left Friday I
think - Called at Library
to see Dorothy White - Then
walked over to see Katharine
+ Peter - He in bed + not so
well - She serving tea to

Sam Ward (very good friend
Mary Stewart (Harvey?)
who does archives + man
+ woman with her - who?
Mrs. Tuerck had guests for
dinner, Mrs. Leuthwaite
Mrs. McPherson whom Mrs T.
has known since she was a child
a Mr. Harvey? + his niece
+ her two little girls -
Sat around fire in eve
Tues Aug 30 Strike seems
far from being settled -
Sydria leaving - They all
came in last night - had
seen Mrs. Jaeggi near
Edgewater, stayed at
Wheeler Hut, picked berries
much rain + bushwhack
up Francis Creek wet +
tough - I drove Datch

to Louise to see Irene Stanfield - heard Phyllis was there - had had breakfast with John at Corral Creek - She was camped at B9 in Lake Louise campground - down near Bow Riffer - No camping up near Paradise now. Went down + she took down her tent - She nails floor to wooden platform went to Emerald for lunch in my car - Sandwich + coffee at snack bar - Walked around to meadow - then to Banff - Lost in our car - She asked Ron Mashel to dinner at club - taught at Upper Canada College

where John teaches (& coaches
Gilbert & Sullivan operas)
Don did physical Ed.
& crafts - had heart attack
has settled in Canmore
building home with super
fireplace - used to bring
2 boys out each summer
& take them to Assiniboine
& other places - was released
from Upper Canada; wants
to teach - after dinner
tucked upstairs in Club
Phyllis back to Calgary
Dotch got ride from Post
Hotel.
Wed Aug 31 Dotch & I to
air line office & decided
to try for plane Sat am.
The 9 o'clock goes to
Toronto & New York

thought of flights to
Minneapolis & bus to
Empire Builder - Dorothy
Boyce got us reservation
at airline motel Friday
night - Bus goes at 5:30
Then Aileen said she
would drive us down -
Did more packing - got
mail, got Dottie at hair
dresser - went to Aileen's
for dinner - Syd & Doris
came - She seems better -
showed 3 reels of films.
& Aileen some of her India
ones - lots of animals &
scenery is fantastic.
Thurs. Sept 1. Hans Gruner
& Margaret here for break-
fast with Rhoda &
family - Aunt, grandma

+ 3 children - talk German
Haus to go to Wilderness
Ski Club Fri eve Nov. 14
Asked us to lunch en
route to Calgary - Then
went with Eileen to
Wheeler Hut where she
had left socks + pail.
She drove - fast - left
about 9:15; took about
2½ - 3 hrs. Walked up
Asulkan - lovely trail
lots of blue berries - sour-
some huckleberries.
Ate at 1 pm - She brought
lunch - meat, buns + tarts
+ tea - Prided huckleberries
more near Hut + old
cook tent trail - Then
to club - Mrs. Tuerk +
girls had had dinner

to go to show - so Aileen + Ingbert to Pancake House at Mt. + spray - old Calv. Army plane - good soup + omelet + banan. pancakes. Finished packing + wrote diary - Phoned Sig - may be home Sat. eve.

Fri. Sept 2. Finished packing taking smallest + largest dark blue suit cases and old brown duffle - left old blue suitcase + big duffle + Buff blue suit case at Club Phoned Lake Louise + left message for John Linn that I was leaving + car would be for sale at ST Swedish - got money took Patch down to check bags at Station - They had no punch to punch her tickets [Report

was that the Canadian would run Sat ago but this was later contradicted in Calgary got new Time + Hotel a new washcloth. gave Mrs. Tuerck the rest of my sherry + apricots left about 11:20 for Standish turned car in for credit next year on new Chevelle. Peter Hegman + other boy were there. bought it for $2.50 = + expect to start for Toronto tomorrow AM. Drove up to Ins. office + cancelled policy. Are to send me rebate - Aileen came + took us to Harvey Heights, motored us all around, then to Hans Gunners - greeted by him + Margaret - Lunch in living room - rolls, rye

bread, cheese, jelly - upside down cake for dessert, tea. very pleasant conversation. Saw my History displayed on book sheet - Mt. pictures about. Left about 2:20 - Hans even kissed me goodbye! Down new road to Calgary - lots of detours Nice to have seen one of the Rows town - Checked at airport + told to be there by 8 am. Then to Airliner Motel. Nice room, double beds, corridor air cooled + icy - Rest + dinner with small Martini Short walk afterwards but is out in stix + parking space Left call for 7 am -

Sat Sept 13. Breakfast in coffee shop + to airport in

In air, Tor to NYC. 1 hr 39 min.

blue bus - Rotch got on plane first but was next to last standby - I was last on but fourth from last standby. She sacked seat on aisle - Left about 9:10 (DC.8) took 3 hrs + 5 min. flying time Arrived 12^{20} Tor time N.S.T. + 3^{20} EDT. Flew at 33000 ft. 60 mile tail wind - Lunch of turkey, peas, carrots, egg salad cherry pie coffee - was served about 10 am so was not hungry. Went direct to Trider desk, got confirmed flight to N.Y.C + then to Philly - To leave for NYC at 5:20 pm - 7 PM arrival - Eastern flight # 351 ~~to~~ 39^{25} - to Phila arriving 10:13 pm -

[~~left~~ Tor. 5:35 off ground 5 4-2]

Dotch got Ottawa plane at 4:40 pm. - Put bags thru to Phila, then thru customs Did not open - Pass immigration ~~[illegible]~~ before boarding plane. Immig. men are by ticket men - I watched Dotch board got seat on right - 2nd from back but its cloudy + pilots say I wont see much - wrote diary in airport + on plane Saw bags on truck - Dinner served at 6 PM. - hamburg, ~~[illegible]~~ limas, mashed pot. - egg salad apple pie - some turbulance when they didnt serve drinks very cloudy over N.Y. due to land at 7:10 - got down thru clouds about 7:20 - I hopped a yellow bus + was brought (25¢) to Eastern - Had sundae

jumbo size in airport drug store - Plained Sig - Asked phone girl if this was old Idlewild airport - yes is now "Kennedy". My plane comes from Montreal so lands there I guess - Waited at gate 5 + then at 9:10 we were escorted to gate 10 on opp. side - Seat on right in back by window wrote diary - Read a lot of it while waiting. Plane is Boeing 720 - Left ground at 9:35 Down at 10:08. Got baggage (3) easily & porter + taxi - good driver - B509 about 11 or after - Have repainted falling paint + Sig has worked hard but dee OR

Left at club Sept 1966
